Dear Potential Sponsor:

3D Gold Baseball is a division of the 3D Sports Performance Program comprised of young athletes from all over the country. Our National showcase program currently has top players from the states of Georgia, Florida, North Carolina, Wisconsin, Iowa, Nebraska, Arkansas, Illinois, Minnesota, New Jersey, Texas, Indiana, Missouri, Arizona and California. This group will compete in National Invitational level tournaments all over the country. We are very excited about our 2017 Summer campaign in which we will have athletes from the ages of 11 to 15 take part in the program. This June we will be attending the USA Baseball Futures tournament to compete with and against 15 of the other top 12U year old teams in the country. The cost for this tournament alone is \$525 per player or \$6,300 for the whole team. We will also travel to the Triple Crown Slumpbuster Invitational tournament in conjunction with the College World Series and several other National contests.

One of our goals as an organization is to never have a player at this level have to decline an invite to a tournament that he deserves to compete at because of finances. Our mission through this program is to teach and train these young boys the invaluable lessons learned through sports and to push them toward improvement in all areas of life, not just athletics. Confidently we will improve their understanding of Discipline, Dedication and Destiny, the "3D's".

Your sponsorship will help defray some of the costs of tournament entry fees which are typically between \$1,500 - 2,500. Your assistance will also help with the purchase of uniforms & hats, required equipment, practice field fees, training facilities and anything else to assist the team with the organization of teaching sportsmanship, leadership, baseball and life skills. The sponsorship amount we desire to obtain from per sponsor is \$525 but any amount whether lesser or greater would be immensely appreciated and can be used for tax purposes. The nature of these tournaments requires a great amount of travel for all the families so if there is anything your company can do to assist in the facilitation and planning of those trips we would greatly appreciate it, the importance of what you do financially to help cannot be understated. We are very willing to work with you on any promotional tools that you feel can assist the growth of your business i.e. programs, scorecards, coupons, handouts, uniform or bag patches with your logo on it etc. A link to your website will also be placed on our website to help increase traffic in your direction.
