Body BLAST: An intense and fun cardio and weight training class that torches calories and builds lean muscle! You will be challenged with a variety of agility, strength, plyometric and cardio drills to get your body in tip top shape! All levels.

CORE & More: 45 minutes of Ab / Core Training. Build the 6-pac you've always wanted! Focuses on strengthening the core and improving balance, with segments of endurance strength work.

PERL-UMBA: Latin Dance. Cardiovascular & weight training. Beginners & Intermediate

Silver Slippers: Senior Fitness and Fun! Have fun and move to the music through a variety of exercises designed to increase muscular strength, range of movement, and activity for daily living.

Stretch & Strengthen: An upbeat start to your day! This class helps keep limber, flexible, and strong by a variety of stretches and floor poses. Benefits include: improved posture, balance and coordination, core strength/stability, longer/leaner muscles, mind-body awareness, relaxation, and injury prevention.
