

As families settle into new school-year schedules and routines, Anthem is here to help keep music education a fun and consistent part of your family's week. With flexible scheduling and personalized lessons, we make it easier for students to continue learning, creating, and growing through music, even when life gets busy!

This month, we're also introducing you to the talented instructors who make Anthem such a special place for our students. Get to know the musicians and educators who encourage your students each week and help them build confidence in the studio.

And don't forget, the Leon Springs Car Show is this Saturday! Bring the whole family and stop by for a day of cars, entertainment, and community fun.
