

# Reopening Announcements

---

We are delighted to announce our official reopening date! As of Monday June 8, 2020. We will be open from 10-8 Monday-Friday and 10-4 Saturday and Sunday by appointment only. To safely serve you, you will be greeted at the entrance for a temperature check before entering.

We are so excited to get to see everyone soon and want to thank everyone for their patience and generosity.

With all the restrictions put on our industry and to maintain the safety of all, we have had to temporarily stop certain services. (detailed below)

At Alchemy Hair Salon, you can expect to see our staff cleaning frequently touched surfaces more often (in between all guest visits), including doorknobs, phones throughout the facility as well as the tools we use to perform services.

AS OF June 8, 2020, HERE ARE THE APPOINTMENT GUIDELINES AT ALCHEMY HAIR SALON:

- Employees nor guests will be permitted on the premises if they have COVID-19 symptoms
- Guests will be served by appointment only
- There will be no Blow-dry services
- There will be no wash services unless guest is receiving a chemical service ( your stylist will let you know directions if you should come with dry or wet hair)
- Consultations will be done on zoom or some other platform and your stylist will contact you separately for that (the first week will be less than a week, but we are aiming for 1 week prior) All further directions will be given at this point.
- Guests will be greeted at the entrance
- Guests will receive a text when they can enter the premises, as you may be waiting in your car
- Employees and guests will receive a temperature check prior to entering premises

- The number of guests on premises will be limited to 50% of normal capacity
- No persons will be allowed to sit in the waiting area
- Stations used will be at least six feet apart
- Employees and guests will wear protective face masks
- All equipment used by a service provider will be sanitized between guests
- Clean/sanitized capes and smocks for each guest
- Guest will be expected to use hand sanitizer upon entering Alchemy
- We are going as “cashless” as possible. We will not be giving cash back on purchases but you will be able to tip service providers virtually through our software or you are welcome to use our new ATM onsite as well.
- Doors and exits will be sanitized

We can all do our part to prevent the spread of illness in our community. You can help by staying home/rescheduling your appointment if you're feeling sick. Symptoms may appear 2–14 days after exposure and include fever, cough, and shortness of breath. If you are healthy, we look forward to seeing you with your protective face mask!
