

# 2017-2018

The Wichita Theatre is proud to announce the return of our **theatre workshop series** to a school near you! This program is designed to teach kids the importance of presenting themselves through the performing arts. Whether interviewing for a job, auditioning for a **show**, or doing a report in front of a class, performing is a part of life. The Wichita Theatre believes the **audition** process is a **fun** and **innovative** way to teach kids how to interact with one another and **PERFORM.**

## JOIN THE FUN!

We want to come to your **classroom!**  
All you have to do is **send us an email...**  
**And we'll do the rest!**

See back  
for details!

Email [bryson@wichitatheatre.com](mailto:bryson@wichitatheatre.com) and say you want your students to act out in class!

“ You have ignited a spark in these children and as their teacher I cannot wait to see where it takes them! ”

- Lindsey Holly  
Burkburnett Middle School

## DAY ONE

This is **introduction day.**

The students will learn about theatre and the audition process.  
Instructors will demonstrate successful audition technique.  
The students will introduce themselves in an audition format.

“ The growth from before the program to after is astronomical. ”

- Sydney Stockton  
Kirby Middle School

## DAY TWO

This is **rehearsal day.**

Students will receive audition material and will develop successful performance skills.

“ The skills students learn in this program are directly related to the students' present and future needs. The instructors make those connections clear to the students, leading them to understand how these communication, expression, and presentation skills can lead to success. ”

- Shara Spicer  
Burgess Elementary

## DAY THREE

This is **audition day.**

The students will audition for the class and instructors will give helpful critiques.  
Students earn one free ticket to any Wichita Theatre musical!
