

January 4, 2021

Dear Parents/Guardians & Families,

We would like to announce a new facility partnership that is going to move your child's care closer to your elementary schools and the Fountain area. To date, Fountain-Fort Carson School District 8 is still not allowing collaborative partners to operate in their district facilities. Thus, in order to offer our various programs fully, our team sought out a new location and has created a partnership with First Baptist Church of Peaceful Valley. Our Kids Club 360 program will now be held at **7925 Fontaine Blvd, Colorado Springs, CO 80925** for our D8 members.

This facility will service: Eagleside, Jordahl, Mesa, and Aragon Elementary Schools

This change of address/services will take effect: **Tuesday, January 19th, 2021**

Thanks to this new partnership we will once again be able to offer **ALL** our program services including:

***Before School**-5:45am-6:45am with transportation provided by District 8 to school at 6:20am.

Note- If you need before school services, you MUST drop your child off between 5:45am and 6:20am.

***After School**-Transportation provided by District 8 to facility after school until 6:00pm.

***Before & After School**-Both services and times as listed above.

***Kindergarten Before & After School**-Our special rate Kindergarten package for our youngest members enrolled in Kindergarten only during the 2020-2021 school year.

As always, our services are centered on providing fun, purposeful and proven programs focused on Character & Leadership, Academic Success, and Healthy Lifestyles to enrich your child(ren). Our facility partnership with First Baptist Church of Peaceful Valley in no way changes our programs or ideology. Our services will not overlap with any activities scheduled at the facility.

When you enroll for these newly expanded programs, please be sure to review all the details of the chosen program at our website www.kidsclub360.com. If your child(ren) require transportation, it is your responsibility to secure that by contacting District 8 Transportation directly at 719-382-1335.

If you have any questions or concerns, please reach out to our Central Office by phone at 719-570-7077.

Thank you,

Kids Club 360 Administrative Team
