

Addiction continues to become more rapid especially in the construction industry and even more people are affected by this devastating disease. The addiction may be to pain pills, alcohol or illegal drugs. Sadly, almost everyone knows someone who either has an addiction or may be battling addiction themselves. The Trustees, Consultants and **Benefit Office** Staff formulated a program to help our laborers and their dependents fight this devastating epidemic. This program is called the **Laborers' Addiction Treatment Program** which began in February 2018 and continues to be available for all eligible Plan participants. Listed below are some of the program highlights.

- **Six-month comprehensive outpatient program.**
 - Includes outpatient detoxification, counseling (group, family and individual), urine drug screenings and Medication-Assisted Treatment (MAT) to help control the cravings.
- **Available through three treatment centers:**
 - Assisted Recovery Centers of America (ARCA) - (314) 645-6840
 - Clayton Behavioral Care - (314) 222-5830
 - **New!** Sana Lake Recovery Center - (314) 478-0863
- 10% coinsurance will apply **unless** you have met your out-of-pocket maximum for the year.
- **If you haven't met your annual deductible, it will be waived for the program only.**
- The patient enrolled in the program will be required to make 3 separate payments for co-insurance to the treatment center at specific times.

To participate in this program, please contact the **Benefit Office** at (314) 644-2777 ext. 2. If you are calling after hours, you may contact one of the three treatment centers listed above.

Did you know?

“Nearly 72,000 Americans died from drug overdoses in 2019 - an increase of 5 percent from 2018.”
