We want the ordering process to be as simple as possible for you. Below are details of the 2 easy ways you can order catering. If you have any further questions, we would be happy to help you out right away.

Just email: catering@tltfood.com

SO SIMPLE CATERING

This is as easy as 1,2,3. Just follow the steps and tell us how many people you are serving, how much you want to spend or serve to each person, and tell us what items you want. With that information, we will make sure there is enough for everyone.

Typically, tacos and sliders are one per person per entrée and sandwiches are half sandwiches per person per entrée. Pick your two sides and any additions and there will be plenty for everyone to enjoy.

ORDERING

When you're ready to submit your order, fill out all your contact and payment information below and fax it all to the nearest store. A LA CARTE CATERING

Another simple way to order. One dozen tacos and sliders fits and looks beautiful in a half size catering pan. Two dozen looks even better in a full size pan. Add any of our desserts and limeade as an extra sweetness to your party. Limeade is served by the half gallon and the flavor is made the day of the event.
