

Dear Parents/Guardians & Families of Eagleside Kids Club 360,

I hope you all are doing well. I am reaching out to give an update for the school year second quarter. It is unfortunate that at this time, Fountain-Fort Carson School District 8 will not be allowing collaborative partners to operate in any district facility for the **second quarter** of school. D8 has expressed that as the second quarter comes to an end, this decision will be re-evaluated in hopes that Kids Club 360 may be permitted to operate once again and for the rest of the school year at Eagleside Elementary for the Spring 2021 semester. We will communicate this information once we hear in December on D8's decision.

Thus, Kids Club 360 will continue to offer **after school care only** at the E.A. Tutt Boys & Girls Club located at 1455 S. Chelton Rd. C/S, CO 80910. Transportation for Eagleside, Aragon, Jordahl, and Mesa will be provided by District 8 to all enrolled Kids Club 360 members for in-person learning days and early release days to our Club. Parents/Guardians **must provide transportation for their child(ren) for school out days (SOD) to the Club** as D8 busses will not run on those days. The SOD calendar for the 2020-2021 school year is attached so that families are aware of the school out day services that will be provided.

If you are in **need of after school services or continued after school services**, you **must** go into your parent portal, and enroll your child(ren) for the new timeframe starting as of Oct 19<sup>th</sup>, even if you had enrolled them prior for after school services as that timeframe was only good for Aug 17<sup>th</sup>-Oct 9<sup>th</sup> (first quarter). Registration for after school services for the remainder of the school year from **October 19<sup>th</sup>, 2020 through May 28<sup>th</sup>, 2021** is now open on the parent portal at <https://portal.bgcppr.org/>. Please go **enroll no later than Oct 15<sup>th</sup>** if you are needing services for your child after school starting Oct 19<sup>th</sup>.

Our Kids Club 360 administration team would like to thank all families for the continued support, partnership, and advocacy during this time as we understand this situation may be an inconvenience. Our hope is that we will be able to get back to hosting our Kids Club 360 program and services at Eagleside Elementary in January. For any questions, please feel free to contact our Director of Operations, Maurice Henson, during business hours between 8am-4pm at (719) 570-7077.

Thank you,

Samantha Davis
