A Guide for Students and Parents

As a condition of enrollment at STARZ Performing Arts Academy, students and their parents or guardians agree to abide by all the policies set forth by STARZ Performing Arts Academy, its director, faculty, and staff. STARZ Performing Arts Academy reserves the right to terminate any student's enrollment at any time for misconduct or inappropriate actions by either the student or his or her parent(s).

Welcome to STARZ Performing Arts Academy!

This handbook will serve as your guide to STARZ Performing Arts Academy and its philosophy of performing arts education.

We take our roles as a mentors and teachers in your child's life very seriously. It is our objective to inspire a passion for the arts in every child who passes through our doors. In the process, we strive to set the right example and help your child (and you) create memories that will last a lifetime.

Philosophy

STARZ Performing Arts Academy is committed to providing high-quality dance, tumbling, music and performing arts classes to enhance the overall development of your child. We provide a safe and youth-centered environment to encourage our students to explore dance with qualified, nurturing teachers.

We believe that dance training encourages young people to develop a positive self-image as they increase awareness of their physical being. Along with improving coordination skills and developing muscular awareness, dance classes give children the freedom to express themselves through movement.

The highest educational standards are expected from all STARZ Performing Arts Academy faculty members. They are lifelong learners who continue to educate themselves through certification programs, master classes, conventions, and other learning opportunities.

ABOUT THIS HANDBOOK

FOR MORE THAN 19 years our school has been a leader in dance education. We believe that our success comes as a result of providing solid training and quality service, as well as our underlying belief in the strength of our organization. We have created this handbook to offer our

students and their parents a clear understanding of their commitments and responsibility to the school.

- Dates and/or expenses listed in this handbook are subject to change. Please check the website and your newsletters for updates.

FOR OUR STUDENTS

The first step to becoming a successful dancer is making a solid commitment to your classes. Strong technique is a key ingredient and class is where you develop that technique. Come to each class prepared to learn and without personal distractions. Class time is your chance to focus on yourself, so try to leave your concerns or worries at the studio door. True progress is made when you look at each class as an opportunity to become better at what you love to do. Dance full-out, stretch a little further, become more aware of your technique, and make the most of every class.

Respect for the teachers is essential. Listen to each correction given, whether it's directed at you or another dancer. A correction is an honor; it shows you how much a teacher cares about your progress as a dancer. Always say thank you when a teacher or choreographer offers you constructive criticism. Nothing can stop those students who apply themselves in every class and appreciate their teachers' knowledge and experience.

FOR THE PARENTS: *"WE'RE IN THIS TOGETHER"*

We believe that children's success depends on the support of their parents or guardians. Because your commitment to the process makes an enormous difference, we encourage you to be a part of your child's dance education.

Our programs rely on a positive atmosphere and educational experience for our faculty and students and their parents. Cooperation between all parents is expected. Showing respect—for other parents, the students, and the faculty—makes an important impression on the children. You are a role model for your child about how to interact with others in a professional setting.

Your child's presence at all classes is imperative. The spirit of teamwork and the lesson of dedication are a big part of our school's educational process.

Parents and teachers may look at a child's learning from different perspectives. However, we believe they share a common goal: to ensure that every child receives the best possible training, both physically and mentally. Mutual respect among our faculty and our students' parents provides the children with the ultimate care and education.

Special Information for Parents of Preschool Students

Our purpose is to provide the highest-quality preschool education in a secure, nurturing, and stimulating environment. STARZ Performing Arts Academy serves the physical, emotional, and intellectual needs of the preschool students. We meet these goals with our age-appropriate curriculum and ongoing communication with parents.

The first few weeks of classes serve as an introductory phase to help students become comfortable with the overall dance experience, the classroom, their teacher, and their classmates.

Right from the beginning we focus on your child's coordination, listening skills, musical awareness, and developing imagination. We accomplish this through age-appropriate music and song, simple stretching exercises, ballet and tumbling basics, and games in an environment of creativity.

Preschool dance is about helping children learn to tap into their imaginations and express themselves creatively, not necessarily about learning steps (although they do get introduced to some basic steps). So don't be disappointed if your child doesn't pirouette around the house or look like a budding ballerina right away.

Separation from the Parent

The process of separating from the parent as the child attends dance class is an important accomplishment of preschool children.

As children mature, they begin to identify themselves as independent personalities. In separating from you, the parent, your child is learning

- to develop an interest in the activities of the dance class;
- to feel comfortable with other children in the class;
- to understand that his/her parent will come back and pick him/her up;
- to understand that all parents leave their children and come back for them.

It is important to know that at times young children will explore the limits of attending dance class and say they don't want to go. This period may occur anytime, but it is usually short-lived. Here are some suggestions that might help you handle the situation:

- Emphasize what the child is doing at the dance class rather than what you do while he/she is in class.
- Before you leave, see that the child is involved in an activity or is in the hands of a teacher.

- Avoid prolonged good-byes.
- Ask the teacher for help in separation.

It May Not Be the Right Time

If your child cries or does not want to take class, don't panic. If we push children and create more stress than they are already experiencing, they may come to perceive dance class as a bad experience. That kind of negativity could make them apprehensive about dance for a long time, which isn't good for anyone involved. Never force your child into the classroom.

If your child stops attending class within the first month, the registration fee will be credited to the following year. We encourage you to have your child try again next year.

We recommend that children be encouraged to practice at home but not forced to do so. Repetition is one of the key elements for success with preschool dance students; the more they practice, the more confident they will feel. Practicing with your child allows you to join in the dance experience.

FOR ALL PARENTS AND STUDENTS

Understanding Dance Education

As a parent, you play an important role in supporting your student financially, but your emotional support is of equal—and perhaps even greater—value. Encourage your child to be the best that he or she can be regardless of what others may achieve. Dance is an individual art form and children need to be allowed to achieve at a pace that's comfortable. No two students will progress at the same rate, even if they experience the exact same training. It's important to encourage children to focus on themselves, give their all, and be satisfied with their own accomplishments.

Not all children will develop into professional dancers. One of the primary goals of our faculty is to teach life lessons and skills that offer children the best chance for success. Dance education encompasses far more than technique and the steps your children learn. We believe the discipline of dance training gives young people a better understanding of commitment through learning, experiencing the spirit of teamwork, and discovering what they can accomplish through hard work. Our goal is to educate the minds, bodies, and souls of our students, teaching them the skills needed for a successful life, whether or not they stay involved in dance.

- You play an important role in supporting your student financially, but your emotional support is of equal—and perhaps even greater—value.

Class Placement

It is our policy to offer appropriate opportunities to every child.

Placement decisions are derived from many years of teaching experience. Often a child is placed in a particular group or class where he or she will feel confident, in order to promote the development of self-esteem. Some students who are placed in a higher level become discouraged, only to lose their passion for dance. Others respond to the challenge of being in a class with students who are more proficient by pushing themselves to work harder. Placement is highly individual and the factors that go into the decision are complex. We will never push a student to a level of dance or tumbling that their body or muscle development is not yet ready for. Pushing your child to perform advanced skills before they have mastered the basics necessary to execute those skills properly can be physically detrimental to their body. Please trust the professional decisions of STARZ Performing Arts Academy's acclaimed faculty regarding class levels and Company placement. With a combined 110 years of experience in the arts within our faculty, we are fully aware of your child's abilities and capable of placing them in the class(es) that will best suit their level of education.

Medical Information

Parents must notify the director/and or teachers regarding children who use an inhaler or who may require medications during their time at STARZ Performing Arts Academy. It is also important to inform the director and/or teachers about your child's existing medical conditions or learning disabilities at the time of registration and throughout the school year. Our teachers are trained professionals who are anxious to work with all children and personalities, and the more we know about your child, the better the dance experience will be for all involved. All information about our students is confidential.

Dos and Don'ts

Some parents may compare their child's progress or class placement to another child's. Watch for this behavior in your children as well and encourage them to focus instead on their own accomplishments.

Looking to other students for inspiration is good; however, making negative comparisons distracts children from focusing on becoming stronger dancers. In addition, speaking negatively about your child's teachers, fellow students, or other parents in front of your child—or other students—could result in problems far beyond your original concerns. Often children will imitate a parent's behavior with other adults or authority figures.

Children learn important lessons from their teachers and parents, acquiring behavior patterns through their example. Our school's faculty takes that responsibility seriously. It's our philosophy to encourage our students to feel, think, and act respectfully toward their peers, the adults in their lives, and themselves.

If you have questions or concerns about your child's dance education (such as progress or class placement), please discuss them with your child's teacher or the director. Talking only to other parents can lead to misinformation and confusion. Please contact the school office to set up an appointment; do not approach your child's teacher or the director between or during classes.

If you do request a conference, please listen carefully to what your child's teachers have to say. They spend a significant amount of time with your child and offer expertise in the field of dance and performing arts education.

- Class placement of students is highly individual and the factors that go into the decision are complex.

Weather Cancellations

Make-up classes for inclement weather cancellations are available upon request. Your child may choose to make-up missed classes in another class within her/his age division, and on or below their current level of dance.

Each class has a limit of 3 cancellations built in to our calendar. If a class is cancelled due to inclement weather more than 3 times during the season, make-up classes will be scheduled at the

convenience of the instructor. Students are not required to attend make-up classes. These extra classes are simply scheduled as a courtesy.

Dress Code Requirements

STARZ Performing Arts Academy maintains a dress code to encourage concentration and a sense of inclusiveness (variations in attire can be distracting). Uniformity in dancewear allows the teachers to assess how well the students are implementing the technique being taught, problems with alignment, and other important aspects of dance training.

- Students should carry their dancewear, shoes, and other belongings in a dance bag. Please print your child's name on the bag as well as on all of its contents.

Discipline Policy

In order to maintain a happy, healthy, professional environment, students are taught the importance of being a part of the group. We encourage students to have respect for other students, the teachers and staff, and studio property, and we foster the development of good habits and compliance with rules of conduct.

Our staff and faculty are trained to use constructive techniques of discipline to maintain class control and handle individual misbehavior.

- Children who exhibit unacceptable behavior or attitudes are told what is wrong and directed to a positive alternative approach or behavior.
- If a child strikes another child, the two are respectfully separated and each is asked to explain what happened. They are then asked to help solve the problem, talk to each other, and reconcile with one another.
- Children who are disruptive will be respectfully asked to stop the behavior. If the behavior is repeated, they will be reminded of it and told how it affects others. If the disruption continues, the children involved will be asked to sit down for a short period of time (usually three to five minutes) before rejoining the class.
- If a child's misbehavior continues to disrupt the class, the parent or guardian will be called to pick up the child.

Termination of Enrollment

In certain circumstances, when it is in the best interest of one or more students, it may be necessary for the school owner or director to terminate a student's enrollment. Every effort will be made to correct a problematic situation before terminating enrollment. Reasons for termination of enrollment include the following:

- Disruptive or dangerous behavior by students or their parents
- Abuse of other children, staff, or property
- Inability of STARZ Performing Arts Academy to meet the child's needs

Arrival and Departure

We encourage students to arrive 15 minutes before class starts.

Students over the age of 7 are expected to be on time for each of their classes in the proper classroom. Students with multiple class changes throughout the day are expected to keep track of their schedule. **It is not the responsibility of our Instructors to leave their studio to find you.** Please be ready, in proper Dress Code approved attire, outside of your classroom 2-3 minutes before your class begins.

For their safety, children under age 10 should be picked up immediately after class. Students ages 10 and older must be picked up no more than 15 minutes after their class is completed. STARZ Performing Arts Academy is not a babysitting service. If your child has a break between classes, please make sure that they are responsible enough to behave and wait in the lobby area between those classes. Students are never allowed to leave STARZ Performing Arts Academy or "hang out" in the parking lot between classes. Please discuss the importance of safety practices and punctuality with your child prior to dropping them off at the academy.

Attendance

All students are expected to attend their regularly scheduled classes. Each class offers a step forward in the educational process. A missed class could leave a child one step behind the other students. Throughout the months of September through December, new Technique and movement is introduced. During the months of January through May, choreography for the spring recital will be taught and rehearsed. We are always learning, working, and introducing new information, technique, and concepts. It is important for children to feel completely confident with choreography and performances. Missing class could result in frustration for the students and their teachers and classmates.

All STARZ Competition Team Dancers are expected to be present for at least 75% of each Ballet, Technique, and Company class they are enrolled in. Missing more than the allowed 75% of classes may result in dismissal from STARZ Competition Team. Make-up classes are always encouraged.

Tardiness

Dance is a physical activity that requires the body to be warmed up in order to execute movement safely. Late students miss the proper warm-up and/or barre and therefore may sustain injury. Students who arrive more than 10 minutes late may be asked to observe class for reasons of personal safety.

Class Visitors

Safety issues and legal responsibilities make it impossible for us to allow students to bring visitors into the classroom. Students should not invite siblings, other relatives, or friends to their classes with the exception of special events such as “Bring a Friend Week”, potential students, and in-school performances.

Makeup Classes

Students who miss a class will have the opportunity to make it up with another similar class (with the exception of Company Choreography classes). Please check with the office to determine the best makeup class for your child.

Lost and Found

Please mark all dancewear, shoes, and personal items with your child's name. We will make every effort to locate and return lost items; however, we cannot be responsible for any items that your child brings to class.

Illness

Colds, flu, and other contagious diseases occur frequently and spread easily among children. To help protect your own child's health and to minimize the possibility of contagion at school, please keep your child at home if you observe any of the following symptoms:

- Nasal discharge that is green or yellow
- Complaints of ear pain
- Consistent cough
- Severe sore throat
- Eyes that are pink, burning, itching, or producing discharge
- Diarrhea or vomiting
- Fever

If these symptoms or other conditions deemed contagious are observed in your child during a class, you may be called to pick up your child.

When your child has a fever, please keep him/her at home until the temperature returns to normal. If there are any lingering signs of illness, such as glassy or watery eyes, listlessness, and

drowsiness, please keep your child at home. This will help to ensure that the illness has passed and that your child will be well enough to resume class activities the following week.

Parking Lot Safety

The academy is home to children of all ages. Please enter and exit our parking lot with extreme caution. Never park your vehicle in any area that is not a designated parking space or is reserved for the Mini Mall's Handicapped patrons. Please do not allow children to play in the parking lot.

Student and Parent Use of Social Media

Use of Facebook, Twitter, LinkedIn, blogging, and other online social-media vehicles is commonplace. This policy is intended to provide STARZ Performing Arts Academy students and parents with guidelines to eliminate any confusion concerning the use of social media.

- You DO NOT have permission to reveal any information that compromises STARZ Performing Arts Academy. By that we mean you are forbidden to share personal information about the director, other students or their families, or anything that is proprietary and/or confidential to them or STARZ Performing Arts Academy.
- Students and parents should neither claim nor imply that they are speaking on behalf of STARZ Performing Arts Academy.

20th Anniversary Spring Recital

Dress rehearsals: exact dates in June 2020 TBA

Recitals: exact dates in June 2020 TBA

Additional Recital rehearsals may be scheduled for students ages 10 and older at the discretion of the teacher/choreographer. Parents and students will be notified of additional rehearsals at least one week in advance.

All dance students participate in our annual recital to be held at Bluefield High School's Performing Arts Center in early June 2020. Please note that all students must participate in the dress rehearsal in order to perform in the recital. There are no exceptions to this policy.

The recital offers our students a professionally directed performance that allows them to present to their families and friends the results of a year's hard work, dedication, and progress. Preschool students perform two routines in the annual recital. All other students perform one time in each of the styles of dance they are registered for.

A big part of dance training includes learning through performance. Although performance opportunities can help prepare some students for a possible career in dance, they also contribute to children's success in non-dance activities. The experience helps build self-esteem and confidence, which can result in better in-school presentations, improved social skills, and strong college and job interview skills. The rehearsal process is a tremendous learning experience as well. It helps the children develop retention skills, and by working with their classmates on a

group performance, they learn the positive aspects of working as a team to create the best end result.

Costumes

We spend many hours determining the correct costumes for each class. They are always age appropriate and of the highest quality possible. Preschool students will need one costume; K-2nd grade, 2nd-3rd grade, 3rd-6th grade combo class students – 2 costumes; all other students will need one costume for each dance form they train in. Costumes include all accessories (hats, gloves, etc..) but do not include tights or shoes.

In an effort to ensure that costumes are delivered in time for organized distribution to our students, costume orders are placed in the Fall and during the December holiday break. Costume manufacturers do not accept cancellations or offer refunds; therefore the school does not refund costume deposits.

Costume Payment Schedule

Costumes will not be ordered until they are paid for in full. Parents or guardians accept full responsibility for all expenses, including surcharges and postage for costumes that are ordered late. STARZ Performing Arts Academy is not responsible if costumes are not received in time for the recital due to late payments. Costume payments are the sole responsibility of the parent or guardian.

A \$40.00 Costume Deposit per STARZ Christmas Wonderland costume will be added to your monthly bill in OCTOBER. STARZ Christmas Wonderland Costume balances will be billed in NOVEMBER. Once October's costume deposit is paid, the costume belongs to you regardless of any circumstances that may arise. STARZ Christmas Wonderland costumes that are not paid for by their deadline will not be ordered.

A \$20.00 Costume payment per non-competitive costume will be added to your monthly bill beginning in NOVEMBER. This \$20.00 monthly payment per costume will continue monthly until your spring recital costume(s) are paid in full. These payments are required in order to purchase your child's costume(s). The number of costumes needed depends upon the number of classes that you have enrolled for. Once November's costume deposit is paid, the costume belongs to you regardless of any circumstances that may arise. Recital costumes that are not paid for by their deadline will not be ordered.

- Costumes are always age appropriate and of the highest quality possible.
