

BABY KALE BLEND

ON TREND

BABY KALE

In the last four years, Kale menu mentions are up +350% (2013-2016). Kale demand continues to increase and this product makes it easy to add to menus. Mixing multiple varieties of baby kales gives this blend a unique look with different colored stems and leaves. The baby kale is a combination of green, black and red. This multi-use blend is great as a salad, sauté, topping or garnish.

Baby Kale Blend Profile

FLAVOR: Earthy tones.
