On the rim of the beautiful Texas Hill Country, Canyon Lake has a shoreline of 80 miles and cool, gentle waters on the Guadalupe River. Known as the Water Recreation Capital of Texas, Canyon Lake has beautiful clear water, striped bass, camping and day parks, hiking trails, and lots of room for recreation. Twenty-three boat ramps provide easy access.

Carrington House, Gazebo & Buda Park

Buda Park and Pavilion are used for public gatherings and concerts. The Gazebo is the centerpiece of the greenbelt that is home to local festivals including BudaFest (early December). Across the street the Carrington House, once was a hotel and cafe, and is now an office building and demonstrates our community's commitment to preserve our past while looking to the future.

Highland Lakes www.highlandlakes.com

The Highland Lakes are located in the Hill Country of central Texas starting about 85 miles northwest of Austin and going all the way into Austin. Four of the six Highland Lakes are normally constant level lakes for ideal boating and other water activities.
