On January 26, 2017, Vanessa Garcia, case manager at the Asset Building and Financial Management Program from CSC conducted a workshop together with and at the Housing Authority of the City of Los Angeles. The workshop was designed to help the participants of the Family Self-Sufficiency Program (FSSP) to take control of their finances.

The workshop provided FSSP's participants knowledge on personal finance, credit building, debt consolidation, tax credits and other financial counseling.

This partnership between CSC and HACLA brings together information and tools to clients at the public assistance program. This outcome also, can links our clients to housing assistance programs.
