

PASSPORT TO THE FUTURE

FREE COLLEGE PREP AND MENTORING PROGRAM

The Passport to the Future Program is specifically designed for young African-American males from 6th through 12th grade. Offered tuition-free by the 100 Black Men of Orange County, sessions are held every other Saturday throughout the school year, the Passport Program seeks to assist the transition of these students from adolescent boys to confident young men ready to successfully take on the challenges of college, career and community.

PASSPORT GOALS

- Improved academic performance
- Better relationships with family and teachers
- Knowledge of Black History and Culture
- Increased self confidence
- Better decision making
- College and career preparation

Students that graduate from high school and successfully complete the Passport program will receive a scholarship towards their higher education and a Microsoft computer. Over the past several years, nearly 100% of our graduating seniors have gone on to enroll in a two or four year institution, like Stanford University, Morehouse College, UCLA, UC Irvine, West Point and Howard University.

Through partnerships with Microsoft Corporation, the University of California- Irvine and Sage Hill High School in Newport Beach, the Passport Program utilizes state of the art facilities, exposing youth to high quality academic environments with a focus on science, technology, engineering, arts and math. 100 BMOC volunteer mentors are highly successful business executives, entrepreneurs, medical professionals and educators. Each is screened, trained and supported in the use of the specially designed curriculum to assure consistency and quality in the presentation of the material.

"What they see is what they'll be"

"The Passport Program has truly transformed my son's life, he became more confident at school, more focused with his responsibilities at home...it's been amazing"
