Being temporary in nature, BWC will not record via computer or retain this authorization. Representative must possess a copy when requesting service relative to the authority granted therein.

This is to certify that CAREWORKSCOMP (ID NO. 150-80) and the Buckeye WC Alliance/Ohio Restaurant Association (13110, 2018/2019, Code 29) including its agents or representatives identified to you by them has been retained to review and perform studies on certain workers' compensation matters on our behalf.

**This limited letter of authority provides access to the following types of information relating to our account:**

4. Other associated data.

**This authorization does NOT include the authority to:**

Completion of the temporary authorization provides a third-party administrator (TPA) limited authority to view an employer's payroll and loss experience. By signing the AC-3, the employer grants permission to the BWC to release information to the employer's authorized representative(s). The form allows a TPA to view an employer's information regarding payroll, claims and experience modification.

**Attention group rating prospects**

- Employers may complete the AC-3 for as many TPAs or group-rating sponsors they feel are necessary to obtain quotes for a group-rating program.
- Group sponsors must notify all current group members if they will not accept them for the next group-rating year. The deadline for this notification is prior to the last business day in October for private employers and prior to the last business day in April for public employers.
- All potential group-rating prospects must have:
  - Active BWC coverage status as of the application deadline;
  - Active coverage from the application deadline through the group rating year;
  - No outstanding balances;
  - Operations similar in nature to the other members of their group.
- Any changes to a group member's policy will affect the group policy. Changes can result in either debits or credits to each of the members.

**Note: For complete information on rules for group rating, see Rules 4123-17-61 through 4123-17-68 of the Ohio Administrative Code or your TPA. All group-rating applicants are subject to review by the BWC employer programs unit.**
