

## Becoming a Certified Instructor & Registered Proctor (Food Safety)

### Take the ServSafe Food Protection Manager Certification Examination Instructor Version

- You need a passing score of 75% or better within the past 5 years on the ServSafe Food Protection Manager Certification Examination Instructor Version.\*
- To take the Course and Exam:
  - Purchase the ServSafe Food Safety Online Course and utilize an Online Proctor.
  - Contact an approved ServSafe Food Safety Instructor through the **"Find a Class"** portion of [www.ServSafe.com](http://www.ServSafe.com) or contact your state restaurant association.
