Summer Student Program

Virtual Summer Research Seminar Series

Due to COVID-19, HOPP will not be hosting a Summer Student Program this year. Instead, it will offer a **virtual Summer Research Seminar Series** from July to August 2020.

Each webinar consists of a **one-hour lecture** via Zoom, from **2:00 to 3:00 pm up to three times a week**, which will be webcast and recorded. Though the seminars are geared toward high school students, we welcome all interested to attend.
