These products have a range of applications: from salads and cooked or sautéed side dishes, to sandwiches and paninis – the possibilities are endless!

BREAK DOWN YOUR BOWL:

..... **WILD ARUGULA**

Wild Arugula's narrower and sharper leaf provides your salad application with an aromatic and soft peppery taste. Their curly leaves boost plate appearance by increasing loft and volume.

..... **SPRING MIX**

This superfood mix gives your dish a variety of texture, flavor, and color. With its crunchy and frilly leaves, it gives your plate presentation the perfect volume.

..... **BABY SPINACH**

Baby Spinach's smooth leaves bring an earthy flavor to your bite. Their deep green color enhances plate appearance, and their high nutritional value makes this superfood irresistible!
