Pacific Northwest

Featuring Seattle & Victoria B.C.

August 20-27, 2018 • 8 Days

Day 1 Mon. Aug 20 We will pickup in our departure cities and make our way to Eagan for our pre-flight overnight hotel stay.

Day 2 Tues. Aug 21 Today we will transfer to the Minneapolis airport for our flight to Seattle. Upon arrival we will transfer to our hotel for our overnight stay. After we are settled, we will take a short walk (5 blocks) to the icon of Seattle and a landmark of the Pacific Northwest—the Space Needle. At the top of the 520 ft. observation deck, you will enjoy unparalleled views of downtown Seattle, Mt. Rainer, and the Puget Sound. Located nearby, Chihuly Garden and Glass will provide us with a look at the inspiration and influences that inform the career of artist Dale Chihuly. The artworks demonstrate how he pushed the boundaries of glass as an art medium in concept, execution and presentation. **(B)**

Day 3 Wed. Aug 22 We begin our day with a seven and a half hour tour starting with the Boeing Factory and the Museum of Flight. You will enjoy exploring this largest manufacturing building in the world, producing the 747, 767, 777, and the 787 airplanes. After the tour, we will explore Pike Place Market where you will find many options for lunch. We re-board the shuttle for a city tour that will include the Ballard Locks and salmon ladder, the Fremont Troll and neighborhood, houseboats with excellent commentary from one of our world class local guides. **(B)**

Day 4 Thurs. Aug 23 We will transfer from the hotel to the San Juan Clipper terminal for San Juan Island Whale watching and Sea Life Search. On this wildlife cruise we will look for southern resident orcas, minke whales, humpback whales, harbor seals, Dall's and harbor porpoise, sea lions, and a variety of sea birds. Once we dock, you will enjoy two hours free time to explore historic Friday Harbor. This charming seaport has plenty to keep you busy— galleries and museums, boutiques and spas, sit in the shade and enjoy the comings and goings of the boats, ferries and seaplanes or stroll through the marina—all within one square mile. When we return back to the pier, we will be transferred back to the hotel. Relax and enjoy your evening. **(B,L,D)**
