

Family Farming

Grower Owned Processor

2019 Sustainability Report Card

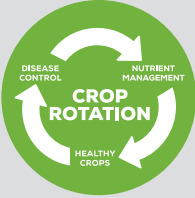

MATERIAL MANAGEMENT & WASTE REDUCTION

277,000

CHEP Pallets in circulation

1.9 million

Number of clamshells made with PETE 1 materials

CROP PROTECTION & INTEGRATED PEST MANAGEMENT

3

Number of non-chemical integrated pest management methods in use

2.5

Average crop rotations per ranch

ECOSYSTEMS & BIODIVERSITY

19

Number of ranches identified as having environmentally sensitive habitats nearby or adjacent

WATER MANAGEMENT & CONSERVATION

4,934

Acres on drip irrigation

SOIL MANAGEMENT & CONSERVATION

609 tons

Amount of compost applied to our crops

4,467 acres

Acres of Brassicaeae farmed as rotational crop

ENERGY & EMISSIONS

860

Acres powered by on-farm solar energy

23%

Increase of solar acres from 2018 to 2019
