Please join us in helping our Healthcare Workers that are on the front lines fighting this COVID 19 Pandemic. We are raising money to provide these Doctors, Nurses, and support staff with grab and go snacks while they are working tirelessly to defeat this Virus.

You can help by, making a monetary donation to any of the three Illinois Metro East Area Labor Councils listed above. Monetary Donations can be received from April 27-May 8, 2020, and may be extended if needed.
