ROLY BERNARDINI
PRESIDENT

On behalf of Mamadou Bah, Anthony Tubbs and ranking file members, we extend our sincerest and deepest condolences to George Floyd's Family, as well as many others who have been affected by police brutality in America and all over the world.

LUIS PIMENTEL
VICE PRESIDENT

The black race has been victimized and treated unfairly for more than 400 years. We have been carrying the weight of systemic discrimination on our shoulders for a long time and can no longer accept it. George Floyd's violent death was a breaking point. Now is the time to receive the respect we deserve as humans, as well as finally received recognition for our many contributions, whether it be to the economy or the hard work we put out daily.

SAVERIO REPOLE
RECORDING SECRETARY

PETER GLAZE
EXECUTIVE BOARD MEMBER

We can no longer tolerate racial discrimination and the killing of our people. We are all humans at the end of the day. All racists should be put to shame, we deserve better. No one deserves to be treated like that - we all bleed the same way. Our pain, our cries and our need to be seen and heard resonate throughout the entire world.

JACK EUSTAQUIO
EXECUTIVE BOARD MEMBER

Black lives matter, now and forever. Enough is enough!!!!

In Solidarity,

Mamadou Bah
Business Representative
