## NATIONAL STUDENT/PARENT MOCK ELECTION

The nation's largest civic education project  
The world's largest national mock election

October 20, 2016

Dear President Morial,

Do you have any way of alerting your members that Mock Election ballots are now on our website along with voting instructions? ( <http://nationalmockelection.org>)

Practice voting has begun as of October 17<sup>th</sup> through October 24<sup>th</sup>. Actual voting takes place from October 25<sup>th</sup> through November 3<sup>rd</sup> 9:00 P.M. P.T. at the nation's largest civic education project and the world's largest national Mock Election.

Everything is free.

All students may now vote on smartphones, tablets, iPADS, laptops or any other internet related device.

Since we first began over 50 million students, and often their parents too, have learned what it means to be an American by participating in the National Student/Parent Mock Election. 60% of them are elementary or middle schools and 40% high schools. 20% of the nation's schools are participating.

Almost 60 national educational, civic, business and religious organizations cooperate with the National Student/Parent Mock Election.

Do you remember the story of the Weimar Republic where the vast majority of voters sat on their hands and let a small single-issue group empower Adolf Hitler?

Let us not raise a generation of young Americans who have learned to sit on their hands at election time.

Gratefully,

Gloria Kirshner  
President  
National Student/Parent Mock Election
