*We Help You Work Smarter*

To Whom It May Concern,

Dave Gorden has spoken to our company several times. He really does his homework and works to address the specific needs of his client. In addition, he provided some third party endorsement that caused our team to stretch their thinking.

When you are looking for a Speaker, I recommend you talk with Dave. He really will work with you and if it's the right fit, he will refer you to others. At BMC, we are very pleased to have a relationship with Dave Gorden.

I have known Dave for several years. He is a follower of God, a man of his word and a true American. Dave is a true sales person with a passion for teaching and he delivers 100% from start to finish.

Sincerely,
