Re: Perks' Residence, San Mateo Park

Dear Rolando,

It has been a real pleasure working with you on the Perks' home. In all my years as a designer, I have never worked with a contractor who was on site every day, working along side his men, and treating the home as if it were his own. You bring integrity, reliability and quality to the job, and are without a doubt the best contractor I have ever worked with. We were under the gun to get Maggie and Ed moved in on time and, I am convinced that without you, it would have been impossible. As you liked to say, "if they want it, by hook or by crook, I will find a way to make it work", and you always did! As a result, Maggie and Ed now have a lovely home and they could not be happier with the results.

I would hope that in the near future we can work together again.

Sincerely,
