Dear Anvil Partners and Friends:

2020 is now rapidly disappearing in our rear view mirror and it's time to focus on the road ahead!

I always come out of January feeling like I'm riding the crest of a wave into the rest of the year. Enthusiasm and energy are high, and this year in particular I am feeling a real sense of optimism about the months ahead. From a business perspective we have many new ways to support you in your efforts to win in the marketplace, and the promise of a COVID-19 vaccine shows that there is daylight at the end of the tunnel!

I do look forward to hitting the road again sometime this year to visit with you. In the meantime, we are only a quick phone call away, and when you call us you always get a person.... not a complicated touch tone answering system!

All the best,

Tom Saeli
