STUDIO PICTURE INFORMATION

MAY 3-6, 2021

Recital photos will be taken by the extremely talented Brian Weitzel of Brian Weitzel Photography. Brian's beautiful work can be seen on our website, social media pages, and on all of the walls and windows of the new studio. Brian Weitzel Photography will be offering high quality, professional, digital images of your dancer for purchase.

IMPORTANT INFORMATION

Due to the nature of this season, we will be approaching picture week differently. There will be no group photos this year. **We are only doing individual shots.** Please arrive during the scheduled time for your class. Note that Friday and Saturday classes have photos on Tuesday, May 4th.

Pictures will take place in our largest studio, Studio D. There will only be **one** dancer in the photography room at a time, along with the instructor and photographer. We will have other dancers on deck in studio B. The photographer will be 20 feet from the dancer and will be fully masked, along with the teacher. Dancers have the option of wearing a mask for their photo. If they choose not to wear a mask for the photo, they will need to have a mask on until right before the photo is taken. This includes while practicing poses with the teacher. The teacher will help the photographer select the best shot of the dancer. After the photo, the dancer will exit Studio D through the opposite hallway, gather their belongings and leave (unless they have another photo). If the dancer has multiple photos, they can change in any of our bathrooms or dressing rooms.

In keeping with our COVID protocol, parents will not be allowed in the building during studio pictures. Parents of dancers under age 7 can bring their dancer in with the form and payment. They may wait in the lobby for their dancer to finish. Please arrive on time for your photo. Arriving too early puts too many dancers in the space at once. Arriving late puts us behind schedule. With the exception of adult ballet, there will not be any technique classes on May 3-6. **There will, however, be classes on May 7th and 8th.**

PAYMENT

Photos are \$25 per pose, digital image

All payment is handled directly through the photographer. APSD does not take or handle any monies from pictures. For this reason, it is important that your dancer brings the exact amount in cash or has a check made payable to BTW LLC.

Credit cards will not be accepted. APSD staff will not be able to make change for cash. Dancers who do not have a form and full/exact payment will not be able to get their photo taken.

FORM

Please fill the attached form. One form is needed per dancer, per costume. Hand the form to the photographer upon entering the photography room.

FAQ

WHAT CAN I DO WITH THE DIGITAL IMAGE?

The digital image is ideal for printing, posting, sharing, enlarging, and archiving.

CAN I BUY A PRINT FROM YOU?

No. We have moved to digital images for the ease and immediacy enjoying the image in multiple mediums. You can print, frame, post, share, etc. your image any way you choose.

CAN I SEE THE IMAGE BEFORE I BUY?

Unfortunately, no, for two reasons. In years past, students would do multiple poses in front of the camera with no real intention to buy the images. This would slow down the shoot and delivery of images for everyone and require unnecessary editing. Secondly, even with watermarks to deter this behavior, parents would screen shot images of their child, not buy the image, and even post these images online.

Ample amount of time is invested in your dancer to ensure that the best photo is both taken and delivered. Dancers are posed by their instructor and the best photo is selected.

CAN MY DANCER DO MULTIPLE POSES IN ONE OUTFIT?

Yes. Each delivered image is \$25, paid to the photographer. Please make a note on your payment sheet which outfit you would like multiple poses in.

HOW DO I PAY?

You can pay in exact cash or check (made out to BTW LLC). Credit cards will not be accepted. We are unable to provide change for your cash so please have the exact amount needed. Your dancer will give the photographer their payment sheet and payment at the time of their image.

HOW DO I ACCESS/DOWNLOAD THE PHOTOS?

Your images will be ready in approximately three weeks. You will receive an email link to a gallery. There, you can download your dancer's photos.

CAN I RETURN THE IMAGE?

Due to the nature of a digital image, all purchases are non-refundable.

WILL THERE BE ANY PROPS IN THE PHOTOS? WHAT IS THE BACKDROP?

All images will be taken on a seamless white backdrop. No props will be included in your photo except for any prop that is part of your costume.

HOW IS THE IMAGE CHOSEN?

All dancers will meet with a APSD instructor moments before their photo is taken to help with their pose. After the shoot, APSD instructors also help choose the final delivered image to ensure the best pose and image is selected for your purchase.

I HAVE A QUESTION THAT I DON'T SEE ON HERE. WHO DO I TALK TO ABOUT THAT?

You can email brian@brianweitzelphotography.com with your question.
