## Thank You...

This past year has been a world wind of change around the village. From the Cannon Trail extension that leads into the village to the paved HCI parking lot, we feel very blessed from this past year. We would be remiss if we didn't say thank you to everyone who helped make 2015 a very special year for the village. There are so many people who we need to thank but there are a few that stand out such as: "Mayor" John, Tim Beckett, Jerry Fisher, the Cannon Township (especially Bonnie Blackledge), Pat Missad, Duathlon volunteers, Christmas Road Crew, and the Moosapalooza volunteers. A special thanks to all of the employees that make this village what it is day in and day out. Without all of the smiling faces, hard work and dedication from each of you, there would be no village.

Lastly, if you thought we all had fun last year here in Cannonsburg, wait until you see what we have in store for this year!!!

## Introducing THE HARTWELL ROOM

Cannonsburg now has it's very own catering/conference room. Due to the demand that we have had for parties asking to rent out the Honey Creek Inn, we have created a truly unique and special meeting and private party area.

The room is located above the Cannonsburg Bottleshop and has been remodeled and decorated with a Cannonsburg Village decor so that it is perfect for everything from a business lunch meeting to an upscale fine dinner. What makes this room special is that we will make the room fit your needs. The room takes it's name from one of the families that owned the building years ago. In true Cannonsburg fashion, we want to bring back and cherish the history of this building through this new addition to it's history. For more information about the room or how to reserve it, contact Don or Chef Mike at 616-874-7849.

# Honey Creek INN

*A Message from  
The Chef.....*

Welcome to 2016, we hope this new year is filled with joy and happiness.

We have some very exciting plans for this upcoming year at the Honey Creek Inn and the village. For starters, we are very excited to introduce our new catering & conference room atop of the Bottleshop (across the parking lot from the HCl). The room's décor fits right into the rest of the village with a cozy, down home feel. It will be able to accommodate parties and event of around 35 people. It will be perfect for a wide arrange of events from a child's birthday party to wedding showers and rehearsal dinners. For more information about the room and how to reserve it, contact Don or Chef Mike. In addition to the new room, we have some fun and exciting promotions that will be available to everyone in the next couples of months so be on a look out! Lastly, we really want to focus on you (our customers) in this new year. We are going to ask for your feedback through various ways starting this year. We want to ensure that that HCl is a place that you and your family continue to patronize for generations to come.

Happy New Year,  
- Chef Michael Alexander
