

Dear Parents/Guardians & Families,

Due to the COVID-19 pandemic, Fountain-Fort Carson School District 8 has informed our Eagleside Kids Club 360 that they will not be allowing collaborative partners to operate in any district facility for the first quarter of school, running from **August 17th to October 9th, 2020**. This decision will be re-evaluated as the quarter approaches its end in hopes that collaborative partners will be permitted to operate within district facilities once again.

Due to this decision, Kids Club 360 will be unable to offer before and after school care at Eagleside Elementary for quarter one. Kids Club 360 will offer **after school care ONLY** at the E.A. Tutt Boys & Girls Club located at 1455 S. Chelton Rd. C/S, CO 80910. Transportation for Eagleside, Jordahl, Mesa, and Aragon students has been secured for after school services through District 8 to all enrolled Kids Club 360 members for all in-person learning days to include early release days. Transportation will **not be provided on School Out Days** so it will be the parents responsibility to get their child(ren) to and from the Club on these days. This impacts the operation of Kids Club 360 before and after school care in the following ways:

- Before school care will not be available for the first quarter at Eagleside Elementary (August 24th-Oct 9th, 2020).
- After school care will be available at our E.A. Tutt Boys & Girls Club located at 1455 S. Chelton Rd. C/S, CO 80910.
- District 8 will provide transportation to the E.A. Tutt Boys & Girls Club after school from Fountain on all in-person learning days for all registered Kids Club 360 members.
- This decision will be re-evaluated as the first quarter ends.

Kids Club 360's administrative team realizes the impact this decision has on our families and apologizes for the inconvenience this causes. Our administrative team will be reaching out to all families who have registered prior to these changes in services to address and adjust your accounts. Kids Club 360 appreciates and thanks our parents/guardians and families for their continued support and partnership during these unparalleled times. If you have any questions, please reach out to our Central Office by phone at (719) 570-7077.

Thanks,

Kids Club 360 Administrative Team
