

PACKAGED HEAT PUMPS 14 SEER OVER/UNDER

The Ameristar line of heating and cooling products offer you flexible and affordable options for HVAC equipment replacement. The Ameristar product line should complement the national brand you are selling and provide an opportunity to capture additional volume and market share with today's budget-conscious consumers.

The Ameristar M4PW4 Over/Under family offers a reliable heat pump packaged system with a vertical supply and return configuration. This unique design is ideal for many retrofit and new construction installations.

- Available for installations in all regions (14 SEER, 11 EER, 8 HSPF).
- 2, 2.5, 3, and 3.5 ton models available.
- Optional 6kw-17kw auxiliary heaters available.
- ARI Certified and ETL listed.
- Small footprint for easy installation.
- Designed for rapid/direct replacement of existing Over/Under packaged products on the market.
