Your vehicle is not only an investment; it's your transportation lifeline. With National Auto Care's plans, you have the peace of mind knowing your investment is protected.

**GET THE MOST OUT OF YOUR COVERAGE**

National Auto Care offers affordable options to ensure your vehicle is protected against costly mechanical and electrical repairs.

- **Reimbursement of manufacturer’s deductible.** In the event of a mechanical breakdown of a component which is covered by the manufacturer’s warranty, reimbursement for any required manufacturer’s deductible up to $100 per occurrence, as long as the component is one that would have been eligible for coverage under the terms of the service agreement.

- **Reimbursement for substitute transportation.** In the event of a mechanical breakdown of a covered component, reimbursement for actual expenses incurred for substitute transportation at a maximum daily rate of $40 per day (maximum $240 per visit).

- **Reimbursement for trip interruption.** In the event of a mechanical breakdown of a covered component and you are more than 100 miles away from home, reimbursement for expenses incurred for meals and/or lodging up to a maximum of $150 per day, not to exceed a total of $450.

- **24-hour Emergency Roadside Service.** Consists of: Tire Service – changing of flat tire with inflatable spare; Battery Service – starting a vehicle with a booster battery; Delivery Service – coverage for the fee associated with bringing fuel or fluid to your disablement location (you must pay for the fuel or fluid); Towing Service – Tow to the nearest repair facility, up to 50 miles not to exceed $200.

- **Transferable.** Should you sell your vehicle, the service agreement may be transferred to the new owner.

PowerWrap coverage is designed to "wrap" around the manufacturer's warranty but, specifically excludes Powerwear coverage. The Powerwrap includes all parts and components of the Engine, Turbo Charger, Super Charger, Transmission, Transfer Unit, and Drive Axle.

**OPTIONAL BENEFITS**

**POWERTRAIN**

- All Internally Lubricated Parts
- Electric Motor
- Turbocharger
- Crankshaft
- Rods
- Main Bearings
- Camshaft
- Timing Chain
- Oil Pan (If damaged by an Internally Lubricated Part)
- Valve Covers (If damaged by an Internally Lubricated Part)

**AIR CONDITIONING**

- AEB Accumulator
- AEB Clutch
- AEB ECU
- AO SRF/ASR
- AEB Meter
- AEB Senser
- AEB Siren
- AEB Switch
- AEB Trim Panel

**COOLING SYSTEM**

- Air Outlet Nozzle
- Blow Motor
- Blower Motor Assembly
- Coolant Pump
- Coolant Water Pump
- Electric Fan
- Electronic Coolant Temp Sensor
- Evaporator
- Engine Coolant Module
- Heater Core
- Heater Core Assembly
- Heater Core \(400^\circ\) Switch
- Heater Core \(200^\circ\) Switch
- Heated Seat Switch
- HVAC Control Unit
- HVAC Control Module
- HVAC Temperature Sensor
- HVAC Water Switch
- HVAC Water Switch

**SECURITY**

- Anti-Theft Systems
- NAVI Diagnostics
- Near Object Avoidance Systems
- Parking Assist Systems
- Video Systems
