

Ohio Restaurant Association Education Foundation/ Ohio ProStart[®] Donation Form in Memory of Chef Sergio J. Abramof

What truly inspires you? For renowned Chef Sergio J. Abramof, food became his passion at a very young age thanks to his close relationship with his grandmother. A native of Brazil, young Sergio would go over to her apartment each day after school to watch her cook, bake, and to sample her latest creations. She truly infused love into all of her dishes and passed this attribute along to Sergio. As the owner of Sergio's in University Circle and Saravá in Shaker Square, Sergio built his 35-year career on his belief that the essence of hospitality is empathy, creating delicious food for countless guests, each of whom he treated like family.

It was always Sergio's desire to share his passion for food with aspiring culinary students. Thanks to the outpouring of love and support from the Ohio Restaurant Association, Sergio's legacy will live on through the education of our next generation of promising chefs.
