

COVID-19 WAIVER

PARTICIPATION FOR INDOOR STUDIO LEARNING

Student Name: _____

Encore the Dance Centre is aware of the serious health concerns posed by COVID-19 and has undertaken significant efforts to reduce the risk of exposure to our teachers, dancers, and family members. Nevertheless, Encore knows that having students participate in our “in studio” classes/private lessons could result in exposure to COVID-19. Before a dancer is able to participate in “in studio” dance practices the dancer and parent/ legal guardian must sign and provide a copy of this waiver to your teacher upon the first class returning to “in studio”. If they do not have this signed waiver, they will be politely asked to leave.

- I understand that there is a risk of exposure to COVID-19 if my child participates in “in studio” dance classes.
- I agree to waive any and all claims and actions, damages, lawsuits, complaints, costs, or expenses of any kind arising out of my child's exposure to COVID-19, whether or not such exposure was due to the actions or inactions of the dance studio or its teachers.
- If you or any close relatives in your immediate family is ill or has been feeling ill with any COVID-19 symptoms you will NOT be allowed to participate in any “in studio” practices and must advise Chelsey and/or their teacher immediately.
- Social distancing will be expected and close contact between dancers/teachers will not be tolerated.
- I understand that my child's temperature will be taken at the beginning of each “in studio” practice with a non-touch thermometer. If you child's temperature is reading at or above 100 degrees, they will be sent home.
