# MARKETS WE SERVE

4PRO Collision Products deliver exceptional quality and performance across the automotive, commercial truck, fleet, and light industrial markets. Our wide range of products ensures that whether your refinishing vehicles, maintaining equipment, or manufacturing a product, you have the right solution at your fingertips.

## AUTOMOTIVE

Collision shops demand precision and quality at every stage through production, repair, and refinish. Our products are designed to meet these rigorous standards and offer shops results they can count on. From surface preparation, mixing, finishing, and personal care we've got your needs covered.

## COMMERCIAL TRUCK & FLEET

Managing a commercial fleet requires products that ensure vehicles remain operational and visually appealing. Our line of 2K urethane coatings provide superior durability and long-term protection to various parts extending their life and reducing repair and replacement costs.

## INDUSTRIAL

Industrial shops and manufacturers can depend on the superior quality of 4PRO products to boost operational efficiency, elevate the quality of finished goods, and help lower overall costs. With solutions spanning surface preparation, finishing, and long term protection, we can meet all your needs comprehensively.

# AEROSOLS

## 2K Epoxy eCoat

Patented WISE 2K Technology

WISE 2K is a patented 2-component aerosol paint technology that provides unlimited pot life. Both the WISE 2K epoxy and the polyurethane technologies contain a deactivated hardener and resin in a single compartment can, eliminating the need for activation or mixing.

Its revolutionary packaging activates the hardener only when spraying providing **unlimited pot life** and no product waste.

## NO MIXING. NO ACTIVATION. JUST SHAKE & SPRAY.

- Provides OEM factory color match
- DTM steel and aluminum
- **Unlimited pot life** with no product waste
- Provides superior chemical, corrosion, and UV resistance
- Requires no primer or clear coat
- Can be used with acrylic or laquer based solvent paints
- Can be applied to most OEM plastics
- Available in 10 OEM colors

**Coverage**  
27 Feet/Can

**Coats**  
2 coats - 1 light then medium

**Dry Time**  
30- 60 minutes based on ambient temperature

**Finish**  
Can be cooled over with seam sealer, body filler, basecoat, or urethane primer

**Flash Time**  
5 minutes

# AEROSOLS<sub>CONT</sub>

### 2K DTS TRIM

**4PRO 2K Epoxy DTS Trim** High-coverage professional acrylic coating designed for use on OEM trim parts, can be used on most surfaces including vinyl and metal. Durable finish with great adhesion and avoids runs.

- 239005-4PRO DTS Trim Black Gloss
- 239005S-4PRO DTS Trim Black Satin
- 239005M-4PRO DTS Trim Black Matte

### CLEAR COAT

**4PRO 2K Polyurethane Clear Coat** forms a strong and extremely durable crystal clear chip, chemical and UV resistant film. It can be applied over solvent or waterborne base coats. Revolutionary Wise 2K® technology delivers 2K OEM performance without the worry about premature hardening in the can. Features superior gloss retention and quick chemical resistance. High quality blendability and quality spray and flow.

- 2200-4PRO Polyurethane Clear Coat

## WISE 2K Technology

WISE 2K is a patented 2-component aerosol paint technology that provides unlimited pot life. Both the WISE 2K epoxy and the polyurethane technologies contain a deactivated hardener and resin in a single compartment can, eliminating the need for activation or mixing.

- 2K Resin
- Un-activated Resin Hardener

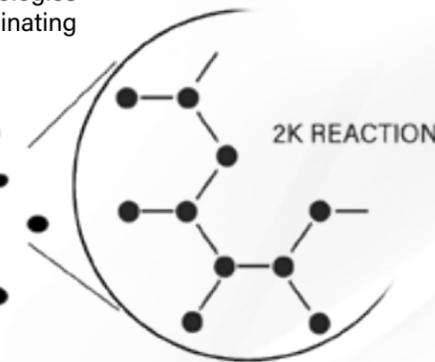

#### 1st Reaction

Un-activated resin hardener & 2K Resin react

#### 2nd Reaction

Activated Hardener & 2K Resin Crosslink  
**Hardener only activates once sprayed**, not inside the can.

**The curing process is crucial to achieving best results**  
**Shake the can** for no less than 2-3 minutes upside down.

**Apply 2 coats** - 1 light/medium coat with 5 minute minimum flash, then medium/wet coat. Looking for coverage not product build

**Invert can and clear nozzle** thoroughly when finished

**4PRO Gold** disks and rolls are made with premium aluminum oxide grain, high quality latex paper, and strong phenol resin. If you are looking for the best combination of performance, reliability, and value, 4PRO Gold is your answer.

# BODY FILLER & GLAZES

## Glazing Putty

**Two-Part polyester finishing and blending putty.** Extra-thin formula spreads smoothly, and easily fills grind marks, pinholes, uneven surfaces and other body fillers and glazing putties to enhance their ease of working.

- Great adhesion to galvanized metal, aluminum, steel, SMC, and O.E.M. paint
- Sands easily
- pinhole-free
- Helps prevent staining or bleed-through when used under basecoat/clearcoat paint.
- Cream hardener included

Item #	Box	Size
4PR-441624	6	24oz

## CleanSheet Mixing Boards

**CleanSheet Mixing Boards** are 100 disposable, non-absorbing chemical resistant 12" x 12" mixing sheets.

- Saves time and money by reducing contamination
- Eliminate mess and clean-up...just mix, tear, and repeat!
- Each board is shrink wrapped for extended shelf life
- Ideal for mixing Body Filler, Resin and Epoxy, Fiberglass, Gel Putty, Adhesive, Touch-up Paint, and more!

Item #	Per Case	Size
4PR-CS100	12	12" x 12"

# CLEANERS

## EZ

Hand and Glass Cleaners are a perfect way to clean up after the job.

## EZ Painter's Pro Hand Cleaner

Specially formulated for painters, **4PRO EZ Painter's Pro Hand Cleaner** effectively removes paint, urethanes, lacquers, enamel, primers, putties, glues, adhesives, and more. Its concentrated formula is infused with natural walnut shell scrubbers and skin conditioners to effectively remove contaminants while protecting skin. Dye free and does not contain petroleum distillates.

Item #	ml	Case
4PR-231333	400	12

## EZ WalNutz Hand Cleaner

- 11 Micron Thickness for Superior Tear Resistance
- Clings Easily to Surfaces for Fast Application
- Corona-treated for Superior Paint Adhesion

Item #	Box	Length	Width
<b>4PR-BPS16</b>	1	400'	16"

## PRO HD Plastic Sheeting

**PRO HD PLASTIC SHEETING** is completely resistant to waterborne and solvent based paints with high strength and tear resistance.

- 35 lb. basis weight for superior protection
- Superior tear resistance
- Economic choice for exceptional protection
- Available in 500' and 700' length rolls and all widths

Item #	Roll	Length	Width
<b>4PR-PS16</b>	1	500'	6"
<b>4PR-CS20</b>	1	500'	12"

## PRO Process Information Grids

**PRO Process Information Grids** are removable self-adhesive repair communication forms.

- Quickly adheres to windshield or door glass
- Insures uniform repair details for every vehicle
- Best when installed on clean glass and filled
- out with permanent oil-based marker
- Prevents damage to glass often caused by water-based markers

Item #	Box
<b>4PR-PIG001</b>	1

## PRO Crash Wrap

**PRO Crash Wrap** is our weather barrier film built to protect damaged vehicle interiors.

- Improved! Now with Double Adhesion
- 3 mil. clear self-adhering transparent film
- Ultraviolet inhibitors prevent the adhesive from breaking down due to extended sun exposure and sticking to or damaging the vehicle paint
- Approved for 45 days in direct sunlight
- ISO 9001 Certified for quality and consistency

Item #	Roll	Length	Width
<b>4PR-CW100x36</b>	1	300'	36"

## PRO Mixing Cups

PRO Mixing Disposable Cups save your shop 50% OR MORE over the cost of metal cans.

- Feature the most popular mixing ratios
- Made in USA
- Available in Pint, Quart, 2.5 Quart and 5 Quart
- Lids sold separately

**COLORSOURCE**

WHEN IT COMES TO AUTOMOTIVE  
REFINISH PAINT MATERIALS, THERE'S SO  
MUCH MORE THAN MEETS THE EYE.

ColorSource distributors go beyond the finish, giving collision repair centers and dealerships around the nation the world-class quality, performance and support they deserve. As BASF's single-source distribution partners, ColorSource distributors provide the high-quality, best-in-class paint systems and products you expect from BASF and now, 4PRO.

The ColorSource national group of distributors created 4PRO to solve a need in the market for a comprehensive line of associated products that are compatible with BASF paints. Created by professionals for professionals these products are high quality at a reasonable price.
