Mission Statement

Our Mission: To empower every Club member, through safe and impactful experiences, to: graduate high school with a plan for college or career, contribute to their community and live a healthy life.

Purpose and Philosophy

Kids Club 360 has a primary goal of providing a comfortable, safe, and stimulating environment, to effectively meet the needs of school-aged children. The teaching staff strives to build a respectful environment while simultaneously meeting individual needs of the children within the group setting.

All of the Kids Club 360 programs reflect the diversity of the Colorado Springs community. It is a fundamental goal to foster each child’s pride and security to his or her own identity while promoting all of the children’s awareness of and respect for others. The curriculum is deliberately multicultural; teachers guide children in exploration of differences and discovery in an atmosphere of trust and mutual recognition. The curriculum is designed to meet the academic needs of the children by conducting activities that promote creative expression and exploratory learning and linking school-age curriculum to each school’s curriculum whenever possible.

We are committed to promoting and supporting all aspects of a child’s growth in an atmosphere of respect. Your child is an individual who is an integral member of a group and whose uniqueness is acknowledged and appreciated by that group.

The development and training of staff is a continuous process, which includes attending workshops, listening to guest speakers, and frequent discussions. The staff is encouraged to visit other programs and to take classes related to child development. Each site has a site director and qualified group leaders.

**Admission Policy**

**AGES**
Kids Club 360 accepts children between the ages of 5 through 12 and is open to all without regard to race, color, creed, gender, nationality or religious preference. Kids Club 360 maintains a 1:15 or lower staff to child ratio.

To enroll for services please go to our website [http://www.kidsclub360.com/enroll-now](http://www.kidsclub360.com/enroll-now) for detailed enrollment instructions. There you will find the link to the online portion of enrollment, through our Parent Portal, as well as the Universal Signature Form to compete and return with a copy of your child’s Birth Certificate, Immunization Record, and current photo. If applicable, a copy of legal guardianship & discount documentation will also be needed.

**FAMILY ORIENTATION**
Site Directors will provide each family with an orientation. Families are encouraged to speak with their Site Director to arrange a time to participate in being oriented to our program.

**ENROLLING CHILDREN with SPECIAL NEEDS and BEHAVIORAL CHALLENGES**
We welcome children with all abilities to our program. However, we must be able to maintain our 1:15 ratio. If your child experiences challenges or has a special need, we ask that you provide that information when registering your child. To provide the best care for your child, Kids Club 360 asks that parents schedule a meeting with the Director to discuss tips and best practices when caring for your child. If your child is on an Individualized Education Plan (IEP), we require that you share this plan with us to allow for consistency and a smoother transition from the child’s school day into our before and after school program. A copy of the IEP is due at registration. A behavior plan may need to be put in place dependent upon how the member conducts themselves within the program. If the child requires a one on one caregiver, then it will be the parent’s responsibility to provide an adequate caregiver. In addition, this person would have to pass all background checks required by Kids Club 360.
Payment & Collection Policies

- Due to system limitations, each child’s account is only allowed one Parent Portal User. The Parent Portal User MUST be a parent or legal guardian of the child/children enrolled and is the primary contact and the person financially responsible for the account. This also pertains to a joint custody situation.
- Enrollment in any service serves as your financial contract with Boys & Girls Club of the Pikes Peak Region DBA Kids Club 360.
- **Initial Payment:** Payment for one day of service is required at the time of enrollment for all services. This payment is non-refundable.
- **Registration Fee:** Payment for the appropriate registration fee is required to complete enrollment. The registration fee is also non-refundable.
- **Rates Subject to Change:** Rates are subject to change without notice. Families who withdraw or are disenrolled from the program for non-payment will have to re-enroll in the program at current rates.
- **Kids Club 360 charges are based on the selected service, NOT attendance:** Payments are due regardless of your child’s attendance and are not refundable or prorated if a child is absent, regardless of reason, including but not limited to: illness, suspension, weather or other Club closures. See Vacation policy for prearranged absences.
- **Payment Schedule:** Payment Schedules for the Before School, After School and Before & After School services are included in the enrollment confirmation email sent to you after the enrollment was completed through the Parent Portal. It lists your payment amounts and the dates they are due. Charges are based on your chosen service, minus the required initial payment for one day of service. The remaining amount due is then divided into equal payment amounts throughout the time frame you selected for service. Additional services such as field trips and Winter & Spring Breaks are charged separately. Changes made to your service may cause payment schedule adjustments.
- **Payment Options:** You have the option of choosing Automatic or Manual Payments at the time of enrollment. If you need to change your selection after the enrollment has been completed, please email Kandel Hess at khess@bgcppr.org. Debit/Credit card information for payments made through the Parent Portal will remain on file through the enrollment period.
  - **Automatic Payments** - If you select "Auto Payments" at the time of enrollment, the credit/debit card on file will be charged as indicated on your Payment Schedule. The schedule **will include** payments due on non-service days, depending on your chosen frequency, weekly or bi-weekly. If the charge is declined you will be notified by email and/or phone. You must make a payment manually through the Parent Portal, via the Pay tab, and update credit/debit card information via the Financials tab. If a manual payment is not made on the due date, then a second automatic charge will be attempted the following day. If the second charge attempt is declined, the automatic payments will be discontinued. If payment is not received the day after it is due, care will be suspended according to policy, the account will be placed on Manual Payment status and the Payment Schedule will be revised accordingly.
- **Manual Payments** - If you select "Manual Payments" at the time of enrollment, your weekly payments are due on the date specified on your Payment Schedule and **will not include** payments due during the weeks of Thanksgiving, Winter Break or Spring Break. Payments may be made in the following ways:
  - Credit or debit card through the Parent Portal.
  - Cash, check, or money order at the site or at the Central Office. Kids Clubs DO NOT have cash on location so please bring exact amounts. Make checks payable to: Kids Club 360.
  - Receipts will be provided when payment is received at the site or Central Office.

- **Late Payments/Fees**: Any payments not received by the due date indicated on the Payment Schedule are considered late and a $5.00 *late fee, per day, per child* will be charged to the account(s). This also applies to late Drop In fees not paid on or before the time of service.

- **Additional Services**: If care is needed during breaks or holidays you will need to enroll your child for those services individually through the Parent Portal. Full payment will be due at the time of enrollment and is not refundable.

- **Returned Check Fee**: A $40 charge will be added to your account for any check returned and your account will be placed on a cash only basis for 90 days. Child care services will be suspended immediately until the original amount plus the $40.00 NSF check fee is paid in full. Failure to make proper payment on returned checks will result in the account immediately being sent to an external collection agency.

**Late Pick Up**

It is important that each child be picked up by 6:00 pm sharp when the site closes. If you are going to be late, please call the site. It may be possible to arrange for a friend, neighbor, or relative to pick up the child/children.

Per school semester (Fall/Spring), only **five** late pick ups with fees paid will be allowed by the parent/guardian. Upon the **sixth offense in a semester, care will be terminated** and late pick up fees will apply. Late pick up offenses by the parent or guardian cannot be transferred from one semester to another; it is limited to five late pick ups per semester only. Please make sure to list reliable emergency contacts and update them as necessary. If the sixth offense is hit in a semester and care is terminated, a re-evaluation will be considered if care is needed for the following semester.

Children not picked up by **7:00pm without communication from parent/guardian** will be referred to the Colorado Springs or Fountain Police Department as well as the Department of Human Services.

**Late Pick Up Fee**

Fees are charged as follows to both subsidized and non-subsidized families. Late pick up fees are incurred for care provided outside service hours and are charged per child.
Number of Minutes Late | Charge
--- | ---
1 minute to 15 minutes late | $25.00 Per Child
16 minutes to 60 minutes late | $1.00/per additional minute Per Child

**Drop In Service**

- Drop In service charges are based on attendance.
- Drop In space is subject to availability.
- Parent/Guardian must notify the Site Director of intent to attend at least 24 hours in advance to verify available space. Failure to notify the Site Director will result in the Parent/Guardian being charged for the day and called to pick up their child. In the event this situation happens more than 2 times in a semester, service may be terminated.
- Payment is due the same day service is provided or needs to be pre-paid.
- Payment may be made with a credit card through the Parent Portal or with cash, check or money order at the site. Credit/Debit card information for payments made through the Parent Portal will remain on file throughout the enrollment period.
- Late payment, late pick up, returned check & other fees will apply.

**Suspension & Termination Due to Unpaid Accounts**

Failure on the part of the parent/guardian to keep payments current will lead to suspension & possible termination of services. Services may not resume until past due amounts are paid in full or a signed payment agreement has been made with the Finance Department.

- If the payment is not received the day after it is due, and a payment arrangement has not been made, care will be suspended immediately until the payment and any applicable late fees have been paid.
- Payment arrangements are ONLY valid when made directly through the Finance Department.
- If the payment is not received by Friday of the current week due, the Boys & Girls Club of the Pikes Peak Region (BGCPPR) DBA Kids Club 360 will accept that as the parent/guardian’s required two week notice for withdrawal. Daily service fees will be assessed throughout this two week period.
- You authorize Boys & Girls Club of the Pikes Peak Region (BGCPPR) DBA Kids Club 360 to collect any outstanding balance(s) by charging the credit card on file.
- If your child attends once services have been suspended, you will be contacted to pick up your child within one hour. If your child is not picked up within the hour, you will be charged and additional $35.00 fee.

**Collections**

If payment for the balance due is not received via in house collection attempts, your account will be sent to an outside collection agency for the balance due and possible collection and attorney fees. Once your account has been sent to the collection agency, Boys & Girls Club of
the Pikes Peak Region DBA Kids Club 360 no longer holds ownership of the account and cannot retrieve the account or accept payments or payment arrangements.

Fee Assistance & Discounts

Military Fee Assistance Program (MFA):
Kids Club 360 is an approved provider for the Operation Military Child Care program (OMCC), through Child Care Aware of America (CCAoA). This program is for sponsors who are deployed (in any branch of service), Army/Marine recruiters or Navy sailors attached to a ship. CCAoA may also approve benefits if your child has already been attending Kids Club 360 for continuity of care. If your family is not currently enrolled in the program or you have questions, please visit http://usa.childcareaware.org/military-programs/military-families/ or call CCAoA at 1-800-424-2246.

- The Parent/Sponsor monthly copay is the difference of the total monthly charges minus the monthly fee assistance amount specified on the benefit Certificate issued by Child Care Aware of America. Benefit amounts will be pro-rated for start/end dates occurring mid-month.
- Copays are due on the first day of attendance and the first of each month thereafter, unless prior approval has been given by the Finance Department for weekly or bi-weekly payments.
- Late fees of $5.00 per day, per child, will apply beginning on the 2nd day of the month and suspension will be effective on the 3rd if payment is not received on the 2nd. If payment is not received by the 5th of the month, Boys & Girls Club of the Pikes Peak Region DBA Kids Club 360 will accept that as your two week notice for withdrawal. See Suspension/Termination Due to Unpaid Accounts section above.
- The sponsor or spouse is required to sign monthly attendance/invoice sheets which Kids Club 360 will submit to CCAoA for payment of their portion of the monthly fee. The attendance sheets must be signed and returned to us by the 15th of the following month.
- If, for any reason, CCAoA denies payment of their portion of the monthly fee, that portion will become the sponsor/parent/guardian’s financial responsibility and will be due immediately.
- To provide care outside of the certificate period, you will need to enroll your child in a standard service at the standard rate.
- CCAoA does not provide fee assistance for, breaks or holidays.

Military Discount (Active Duty /Honorably Discharged/ Retired):

- A copy of your active or retired military ID or DD214 is required to validate this discount rate and is due at the time of enrollment. It may be emailed to registration@bgcppr.org, faxed to 719-570-7079, or taken to the Central Office.
- If valid documentation is not provided at the time of enrollment, the account will be adjusted to the standard rate charges, until it is received.
HSD2 Employee Discount:

- If valid documentation is not provided at the time of enrollment, the account will be adjusted to the standard rate charges, until it is received.

Annual Payment Summaries (Tax Statements)

The Parent Portal User is the primary contact and is financially responsible for the account. The Annual Payment Summary will be available for pickup at the site or mailed to the Parent Portal User’s address the last week of January 2018. You may also view/print this report from the Pay tab in the Parent Portal. Please be aware that if you have an outstanding balance, this report will not be accessible through the Parent Portal. Contact Kandel Hess at 719-570-7077 x113 or khess@bgcppr.org with questions or concerns. No amounts will be given out over the phone.

Service Status Change

Please contact Kandel Hess at khess@bgcppr.org, or 719-570-7077 ext. 113 at least 3 business days before you would like your child to begin a different service. Service changes will depend on space availability. Once this change is approved, you will need to enroll for the new service through the Parent Portal. Withdrawal from the prior service will be done by the Finance Department after enrollment in the new service has been received. You will receive an email confirming the withdrawal and indicating if there is any remaining balance due or if there is a credit for that service. If there is a remaining balance, it will be due immediately. If there is a credit for that service it will be applied to fees for the new service. More than one service change per school year may result in an Administration Fee.

Withdrawal from Services

Kids Club 360 requires a two week notice to withdrawal from all services. Withdrawals from Before School, After School and Before & After School services may be done through the Parent Portal by clicking the Financial Tab and then the Withdrawal/Discontinue link. Full payment of the remaining amount due for the service will be required at that time. A written, two week notice is required for withdrawals from Drop In and Military Fee Assistance services, which will be processed through the Central Office. For both withdrawal methods you will receive a confirmation email detailing the service provided. If a remaining balance is due, payment will be required before the last day of care. Any credit on the account will be applied to outstanding charges or a refund can be issued upon request to the Finance Department. Failure to withdrawal at least two weeks in advance will result in a continued financial obligation.

Holidays, Breaks, and School Out Days

Holiday schedules will be posted in advance at the site, on our website, and on our social media outlets regarding location, hours and pricing. Enrollment for these additional services will need
to be done through the Parent Portal. Payment in full will be due at the time of enrollment. Each child must be enrolled prior to attending.

School Out Days (SODs) are available as part of the Before School, After School and Before & After School services. There will be an additional charge for those only enrolled in Drop In services.

Children will be provided breakfast, lunch, and snack during holiday, break, and school out day services. Outside food will not be permitted. Please see the Food Service section for additional details on snacks provided on a regular basis.

*Note- Kids Club 360 is a nut free environment.

**Vacation Time**

Kids Club 360 allows 5 consecutive days of vacation time per school year, per enrolled child. A written notification of the anticipated vacation time is required at least one week prior to use. Once approved, the account will be credited. Without written, prior notification or if the allotted vacation time has already been used, payment will be due regardless of attendance. Kids Club 360 fees are based on the enrolled service, not attendance.

**Bereavement/Funeral Time**

When an absence is due to the loss of an immediate family member (mother, father, sister, brother, grandparent) Kids Club 360 will allot up to 3 days of bereavement credit. Upon confirmation of the loss, the account will be credited.

**Sign In and Out**

A parent or authorized adult over the age of 18 is required to use daily sign in and sign out sheets for documentation purposes. Kids Club 360 provides licensed child care at each of our sites and is required to keep accurate records for each child’s attendance.

Kids Club 360 requires a full signature for child arrival and departures. A parent/guardian is required to accompany their child into the program and sign him/her in with the accurate time. Parent/guardian must sign the child out with an accurate time at pick up as well.

**Visitors**

Visitors must give advance notice and be approved by the Site Director prior to their arrival. Upon arrival, all visitors must immediately check in with the Site Director and sign the Site Visitor Log. Under no circumstances will a visitor be left alone with children.

**Release of Children**

Only parents or persons over 18 years of age with pick up authorization will be allowed to take a child from the site. In emergency situations, the parent may give verbal authorization to site
care-givers. This person will need a valid photo ID and sign the child out with accurate time. Contacts may be added/updated through the Parent Portal.

**Intoxicated Persons at Pick Up**

For the safety of the children, the Kids Club 360 has established a procedure in the event of anyone attempting to pick up a child while under the influence of or impaired by alcohol or drugs. If a staff person suspects intoxication, a conversation will take place and they will call an authorized contact of the child’s to pick up. If the individual insists on leaving with the child, the staff will immediately contact law enforcement and advise them of the situation. Failure to comply with this policy could result in termination of services.

**School Activities**

If your child attends school activities, the child must check-in at the Kids Club 360 site before going to the school activity. If your child will need care after the activity ends, they will need to report to Kids Club 360 immediately following the activity. You will need to complete and turn in a “Before or After School Activities Release” form (available online) to your Site Director if your child will participate in any before or after school activities.

**Television, Video Viewing, and Video Games**

Television will not be watched during before and after school care. Video viewing can be used in conjunction with the curriculum, to expand learning concepts and activities, and for special celebrations on a limited basis. Videos will be rated G or PG.

Use of video game systems will also be limited and games will be appropriately rated for use with children.

**Attendance and Absence Policy**

Kids Club 360 expects children to attend on the contracted days of care. If, for any reason, your child will be absent you MUST call to let the Site Director know by at least 12pm of that day. Communication with the Site Director regarding absences or schedule changes is required for safety purposes. In the event that a child does not arrive, staff will do a search to find the child. Staff will contact the parent/guardian and emergency contacts. If staff cannot locate the child it may result in notifying the police that the child is missing.

**Emergency Contacts:** It is important to keep emergency contacts up-to-date through the Parent Portal. Site Directors and Group Leaders will release a child only to the parent or someone authorized by the parent with proper identification, 18 years old or older as indicated on the emergency contact list. Please notify the Site Director if someone not listed on the emergency list is picking up your child.
Illness, Accident & Injury Policy

In order for a child to get the most out of the Kids Club 360 program, he or she needs to be in good health. Do not bring a child if he or she cannot participate fully in the indoor and outdoor activities. Please do not send a child if he or she has a fever or is vomiting.

If a child shows signs of illness or injury, staff will contact the parent/guardian or emergency contacts to alert them to the injury or symptoms of illness. If symptoms are deemed serious it is expected that the parent/guardian will arrange for the child to be picked up within one hour of the original phone call.

Staff will make every effort to comfort the child by providing a secluded area for the child to rest. In case of an emergency, 911 will be called. If transportation or medical costs incur, the parent/guardian will be held responsible for all financial fees.

*It is important that the persons listed as emergency contacts will be available to come for your child in case of illness or an accident. Please keep these numbers up to date in your Parent Portal.*

Communicable Illness

When children have been diagnosed with a communicable illness such as hepatitis, measles, mumps, meningitis, diphtheria, rubella, salmonella, tuberculosis, giardia or shigella, the parent/guardian must notify the center immediately.

Children will not be admitted back to the program without a physician’s note stating the child is clear of the communicable illness. If a child is found to have lice, they will not be admitted until all nits are gone. Children with pink eye are required to be on medication and wear an eye covering before they will be admitted.

Staff members with a communicable illness will not be permitted to work or have contact with children or other staff members if the illness could be readily transmitted during normal working activities.

The day a communicable illness or parasite is discovered in our facility, Kids Club 360 will inform the parent/guardian in writing by:
- Posting a sign on the door
- Posting a sign on our bulletin board
- Giving each parent written information on the specific illness
- Posting a sign on the sign in/out sheet

*Facility staff will ensure that the name of an ill child or staff person remain confidential.*

Medication Administration

Kids Club 360 will administer medication to a child ONLY after receiving a completed medication release form from the parent or guardian which can be found online. For each child receiving medication at the site, a release form will include:
The name of the medication
The dosage
The route of administration
The times and dates to be administered
The illness or condition being treated
The parent or guardian signature
The physician’s signature

The medication form will be checked for completion by the Site Director. The prescription label does not serve as the doctor’s orders. DO NOT send medication with the child. Please give the medication directly to the Site Director. Medication is stored and locked in a secure box.

Kids Club 360 will only have medication administered to children by a trained, designated caregiver. This caregiver will be trained to:
- Check the label and confirm the name of the child
- Read the directions regarding administration of medication
- Properly document administration of medication — Kids Club 360 will maintain medication records for six weeks that include:
  - Times, dates, and dosages of the medication given
  - The signature or initials of the caregiver who administered the medication
  - Any errors in administration or adverse reactions

The Site Director or designee will report any adverse reactions to a medication or error in administration to the parent or legal guardian. This will be reported immediately upon recognizing the error or reaction. Medications stored in refrigerators will be in a locked container.

For over the counter and prescription medications, they must:
- Be in the original or pharmaceutical container
- Have the original label
- Include the child’s name
- Have a child proof cap
- Have instructions for administration

The Site Director will return any unused or out-of-date medications to the parent or guardian. (The parent/guardian may wish to have the pharmacist use two containers for medicine so that one may be left at Kids Club 360.)

Kids Club 360 staff are unable to administer aspirin, aspirin free tablets, cough lozenges or medical ointments unless a doctor prescribes them in writing. The “Medication Administration” form is available online.

**Allergies and Allergic Reactions**

If a child has an allergy or an allergic reaction to any food or drug, please keep Kids Club 360 informed. A list of children and their allergies will be maintained and kept confidential at each site.
Daily Schedule

In meeting our goal, Kids Club 360 has designed a program that is both consistent and flexible. Having a predictable routine helps the child feel secure and increases his or her confidence.

Each day includes both teacher-organized and child-initiated activities, indoor and outdoor activities, active and quiet periods, group and individual play. Specific daily schedules are posted at each child care site.

Training and Orientation of Caregivers

All program staff members are 18 years or older and meet all Kids Club 360 Program qualifications. Each staff member completes orientation training prior to working on the floor as well as quarterly trainings which are provided by the Operations Department and/or the Site Director.

Orientation Training includes:

- A job description
- An introduction and orientation to the children, which includes special conditions such as allergies and medical conditions of any child
- Procedures for releasing children to parents or guardians
- Site policies and procedures
- Reporting requirements for witnessing or suspicion of abuse, neglect, and exploitation of children and how to make a report
- Employees will be required to read the Policies and Procedure Handbook for our families
- All caregivers are required to have a minimum of fifteen hours of documented in-service training each year.

The following in-service training topics must be addressed annually:

- Universal Precautions which includes information on proper hand washing, OSHA requirements, and sanitation techniques
- Proper procedures in administration of medications
- Recognizing early signs of illness and determining when there is a need for exclusion from the facility.
- Accident prevention and safety principles
- Reporting requirements for abuse, neglect, and exploitation
- Positive guidance for management of children
- CPR/First Aid

Each program’s Site Director and Group Leaders are responsible for knowing the current rules and regulations and adhering to them at all times.
Additional training opportunities available through outside agencies, videos, reading materials and other sources may be made available through the Operations Department and/or Site Director.

**Supervision and Protection of Children**

Kids Club 360 ensures that all children are adequately supervised. Our level of supervision includes maintaining child to staff ratios. The Site Director will ensure that staff ratios are adjusted to maintain the levels of supervision and care by being able to hear or see our children.

Each location will use a tracker board. Tracker boards are used by staff and kids to track the movement and whereabouts of all members of the program at all times.

When children are using the bathroom, Kids Club 360 supervises and protects with a staff member monitoring from outside the bathroom.

When children are in a large group, such as outside on the playground, during off-site activities, on a field trip, or participating in a special mixed group activity, supervision and protection will be maintained.

**Lost Child**

*At Kids Club 360, every step will be made to ensure the safety of every child – Hence, the importance of daily sign in and out sheets and headcounts. Kids Club 360 does recognize that no matter how careful, accidents may still occur.*

Staff should never leave the children unattended. Children should be in view at all times. Children going to any building on the school campus must be supervised.

Site Directors or a Group Leader must have a means for determining at all times who is present at Kids Club 360.

If it is determined a child is missing, the following steps will be taken:

- Staff will check the bathroom
- Staff will check around the immediate area where child was last seen
- Staff will check all rooms where the child would typically go and other rooms of use in the program
- Staff will check with school staff

If the child is not found after a fifteen minute search, staff will contact emergency personnel, the child’s family, the supervisor, and file a lost child report.
**Guidance and Discipline**

Discipline will be approached in a positive, consistent way. Rules, expectations and limitations are simple and understandable. Employees strive to model, teach, and encourage good communication skills, problem solving skills and positive interactions. No harsh discipline methods may ever be used such as hitting, belittling, or any other punitive discipline. When a child displays inappropriate behavior, the situation will be discussed with the child and the child will be instructed on how to appropriately handle similar situations. Brief separation is sometimes necessary to relieve undesirable situations. In cases of extreme behavioral issues or where a child who has been identified with special needs has behavior issues, parents will be partnered with to develop a behavior support plan. Information may be given to the family about programs and services available to assist them and their child. It is expected that parents support our staff and work as partners to keep consistency in behavioral expectations. Frequent acts of misconduct may result in suspension or expulsion from the program.

Kids Club 360 uses discipline to encourage the child’s self-control and reduce risk of injury and any adverse health effects to self or others. Staff will use the following positive discipline measures for children: positive reinforcement, love & logic, redirection, and verbal praise.

**The following rules help caregivers, parents, and children understand the expected conduct at Kids Club 360:**

- Keep hands and feet to oneself
- Follow the directions of adults
- Use equipment properly
- Treat others with respect
- Use appropriate language
- Settle disagreements by discussing them

*Discipline measures will not include any of the following:*

- Corporal punishment-including hitting, shaking, biting, pinching, or spanking
- Forced physical exercise to eliminate behaviors or use of punitive work assignments
- Use of abusive, demeaning or profane language
- Forcing or withholding of food, water, rest, or toileting
- Punishment by peers or use of group punishment for individual behaviors

If the expected conduct is not maintained, Kids Club 360 staff will:

- Start with a conversation with the member. Staff are to get down on the level of the child and explain why this type of behavior is not okay, discuss why the rule is in place and how it affects others. Then the staff and member will come up with solutions on how to make better choices next time.
- If the same behavior occurs again, the child may be asked to sit out or be redirected to a new activity. Members will not sit out longer than their age (ex- a child that is 5 years old will not sit out longer than 5 minutes at a time). Once their time is up, staff will follow up with a conversation on a better solution. The child will be given a warning that...
the next time there will be a write up. A conversation with the parent at the end of the night may also occur.

- A third occurrence of the same behavior may result in a disciplinary report. All disciplinary reports are to be discussed with and signed by parents. Parents can request a copy of the report, which will then be given by the end of the next day.
- If the behavior continues after three disciplinary reports, the child may be suspended.
- Any acts of violence and/or bullying will not be tolerated and immediate suspension will occur.
- If a child has three or more suspensions, a meeting with the parent and Site Director on how to work together to create a successful environment for the child may take place. This may include creating a behavioral plan.
- If, after this meeting, the behavior continues another meeting to discuss withdrawal from the program may occur.

**Parent Communication, Involvement, and Participation**

Parents may visit or participate in our program by making an appointment with the Site Director. Kids Club 360 would like to invite parents to share their skills/talents with the children. Kids Club 360 also wants to encourage parents to talk to staff on a daily basis. Conferences with the Site Director may be requested at any time. In an effort to keep parents well informed, newsletters and notices may be sent home with the children on a regular basis. In or near each site is a parent information board. Important schedule changes, forms requiring signatures for events and announcements are posted. Please review the parent board regularly.

Your cooperation in the Kids Club 360 program is important because it creates a partnership in the development of your child. Kids Club 360 works to provide opportunities which match your child’s own pace and style when feasible. Kids Club 360 looks forward to getting to know each family. Since children are often in our care for several hours, Kids Club 360 views ourselves as a meaningful part of your children’s lives. It helps staff to know about family changes, such as a deployment, marriage, divorce/separations, or a new family member. Staff will also share any concerns that arise.

Kids Club 360 will be utilizing parents to provide input toward existing and future policies. Kids Club 360 welcomes you to participate as a member of our Advisory Board. The staff and Advisory Board members advise the Site Director and serves as a voice for center concerns. Kids Club 360 will be meeting quarterly and your participation will assist us in evaluating the Kids Club 360 program. Kids Club 360 always welcomes your ideas, concerns, comments, suggestions, and participation. Please email any and/or all to info@bgcppr.org.

**Parent and Children’s Rights**

*Rights as a Child in the Program*

All children in our program have the right to be treated in a non-discriminatory manner and have the freedom to express, practice religious and spiritual beliefs. Kids Club 360 encourages children to bring their questions and concerns about our program first to the Group Leaders and if further assistance is needed, then to the Site Director.
**Rights as a Parent in the Children’s Program**

As a parent concerned with your child’s well-being and education, Kids Club 360 encourages parents to bring their questions and concerns about our program first to the Site Director. If any issues remain unresolved, a meeting may be requested with their direct supervisor.

**Personal Belongings and Money**

Children may NOT bring personal belongings to the site unless the Site Director has given permission.

- **NO** toys, portable radios, sporting equipment, electronic games, large sums of money, valuable items, tape recorders, pets, phones, iPods/Pads, etc...

Only items brought to the site for sharing are allowed and will be kept in the child’s basket or in his or her backpack until the designated time. These items must be clearly labeled with the child’s name. Kids Club 360 will not be held liable for any lost, stolen, or damaged items.

During special events or on field trips, children often want the freedom of having spending money. Additional funds for souvenirs or treats are based upon the discretion of the parent. Kids Club 360 only asks that it be a reasonable and not an excessive amount. All money that is lost or stolen from a child is the responsibility of the parent. Kids Club 360 will not be held liable for such incidents.

**Transportation and Field Trips**

Kids Club 360 offers various extracurricular activities for children to attend. The activities are planned and presented to parents. Parents are required to fill out a permission slip or give written permission for their child to attend/participate. All staff must carry group lists, emergency contact information, and perform head counts at regular intervals throughout the outing. Please watch for postings at your child’s site for potential field trips.

Children arriving late to a field trip will not be permitted to attend unless a staff person is present with other members. If there is no staff present, then parents must wait until the field trip is over and the site reopens.

**Drop off and pick up of children at the field trip is not permitted. Please schedule appointments appropriately.**

A release form signed by the parent or guardian will be on hand for reference. No child will be permitted to remain unattended in the vehicle. Children will remain seated in seat belts while the vehicle is in motion. Keys will be removed from the vehicle at all times when the driver is not in the driver’s seat. Smoking is prohibited in the vehicle.

As a part of this program, an Income Eligibility Form (IEF) must be completed in full and submitted with registration packet for proper participation in this program. This is a summer requirement only.

Children are provided snacks daily after school. Our snacks consist of two of the food groups; 100% juice may be served in place of a fruit and milk may be one of the components. Snack menus are posted at each site and available for parent review. Food is to be eaten in the designated area. The children must wash their hands before eating.
