**Misrepresentation And Fraud**

In the event you or any **Member/Employee** receives benefits because of any misleading or fraudulent representations to the Plan, you will be liable to repay all amounts paid by the Fund. Fraud includes failure to disclose any information regarding other group health coverage under the Plan’s coordination-of-benefits provisions or failure to disclose information regarding no-fault automobile coverage, Workers’ Compensation or third-party liability under the Fund’s Equitable Lien and Subrogation provisions. Furthermore, the Board of Trustees must ensure that all who benefit from the Plan do so appropriately and only as they are entitled. For example, if the Trustees determine that an Employee, his dependents, or health care provider has made any misrepresentation (whether or not intentional) in connection with claims for benefits or has committed any act or omission resulting in abuse or misuse of the Plan, the Board of Trustees reserves the right and authority to impose upon Employees and their Dependents restrictions with respect to their future rights to receive benefits from the Trust. The Trustees reserve the right to seek reimbursement and other damages, together with attorney’s fees (to the extent provided by law) and other costs incurred in connection with recovering any benefits incorrectly paid, or not reimbursed, when reimbursement is required under the Plan. To be reimbursed for benefits improperly paid, the Trustees may also exercise a right of offset against future benefits payable on behalf of the Employee and his Dependents. In addition to the specific circumstances set forth elsewhere in this document in which the Trustees may suspend the payment of benefits to a participant or a beneficiary, the Trustees shall also have the general power to withhold and offset such benefits for claims incurred on behalf of the any participant or beneficiary who:

1. owes money to the Trust because of any obligations imposed upon them by this Plan booklet or the rules and regulations of the Trust, or
2. owes money to the Trust because the Trust overpaid a participant or beneficiary, or
3. in any other circumstances in which a participant or beneficiary legally owes money to the Trust.

The Trustees also reserve the right to refuse payment for services rendered or facilities or supplies furnished by particular health care providers. These powers may be used as the Trustees deem necessary.
