

### **Hiring: Board Certified Dermatologist**

Ideal opportunity for new dermatologist at a well-established dermatology practice poised for growth!

#### **Job Description:**

Atlanta Dermatology and Laser Surgery seeks a talented BE/BC Dermatology trained physician with a fresh outlook who wants to participate in our success. Our ideal candidate is technically skilled, has excellent people skills, and is motivated to grow personally and professionally.

Among other things, we offer:

- A strong compensation package with productivity incentives, as well as flexible PTO, health insurance and retirement benefits, and CME reimbursement,
- An aggressive partnership track, and
- A mentorship opportunity with the practice's founder, leveraging his experience and expertise to learn the ropes and get off to good start in private practice.

#### **Practice Description:**

Dr. Jerry Cooper and Atlanta Dermatology and Laser Surgery have been an Atlanta institution for almost 50 years. Dr. Cooper, Dr. Tunisia Cornelius and Dr. Ben Kelly, together with our two physician assistants, three licensed laser practitioners and exceptional staff, provide a broad range of medical and cosmetic dermatology services in an attractive, state of the art facility.

Ours is a collegial, family business-like workplace, not a corporate environment. We honor old school values focused on connecting with our patients and giving them the best possible care. At the same time, we practice cutting edge medicine and we encourage new ideas and opportunities to grow. In this way our practice provides a unique platform for you to leverage your strengths, pursue your professional vision, and help shape our future.
