EDUCATION AND TRAINING TRUST FUND

Proposed Requirement Standards (IEHA Boot Camps) - Accepted - Effective 1/1/2021

Eligibility Details

A SCETT Fund participant must submit a completed SCETT Fund application for education benefits 45 days prior to the scheduled Boot Camp to determine eligibility. The applications should be sent to eclegg@scettf.org or faxed to 202-942-2323 as soon as available.

In order to be screened for eligibility the application requirements for each participant are as follows; **legal name, email address, social security number, seniority date (to determine if the Frontline Program will be required before Boot Camp), signature and date.** A newly formatted application will be made available for IEHA Boot Camp participants.

Deadlines

Once the applications are received and screened for eligibility, a spreadsheet will be made available for submission to the IEHA for appropriate invoicing. The spreadsheet will be available no less than 30 days prior to the scheduled Boot Camp.

No changes are to be made 30 days prior to scheduled Boot Camp as we must take into consideration the invoicing process and the participant's requirement to complete the IEHA application as well as the Frontline Program if applicable.

* The SCETT Fund does not provide transportation or hotel accommodations.

Why you should attend:

Individuals who participate in the PECP Boot Camp will be able to immediately apply newly learned skills, ask questions, reference real-world examples and institute proven best-practices. This has a positive outcome for the individual, their peers and the facilities they represent. A one-year membership with IEHA is included for continued educational and professional support. IEHA has a proven record of more than 85 years in providing top-notch education and member support programs.
