

Thank you for expressing interest in the ministry and services of Agape Wilderness Retreat.

Agape Wilderness Retreat is set amidst the Kentucky hills just a one-hour drive from Louisville and Cincinnati and 90 minutes from Lexington. The facility is located on an 81-acre pristine mountain top. The Center is an oasis from today's world! We are minutes away but worlds apart.

The large lodge has 6 bedrooms and can accommodate up to 28 overnight guests for retreats. There's an inviting fireplace in a large comfortable meeting room and a large covered deck overlooking the lake. You'll find the dining room a great place to enjoy gourmet home cooked meals and fellowship!

Recently added cabins with full bathroom facilities add room for 32 overnight guests and a large meeting room with capacity for 80 meeting room style or for 150 auditorium style. Outdoor meetings or worship events are also available for up to 200 guests in our open-air amphitheater.

Outdoor activities include campfires, hiking on a multitude of trails, a walk through our prayer labyrinth, a series of team building initiatives including a low ropes course, fishing in the lake, or just enjoying the breathtaking views of God's creation.

We invite you to take part in our retreat opportunities for Sunday School classes, women's or men's groups, pastoral/lay leadership team, school groups, or youth groups. You can develop your own program or have us custom build a retreat for a unique, relaxing and invigorating retreat experience!

Agape Wilderness Retreat is a Christ-centered, non-denominational ministry organization. Our purpose is to provide opportunities for people to experience the abundant life in Jesus Christ!

Please check out the other information on our web site. We have included our Retreat Registration Form, Cancellation Policy, and Retreat Pricing List for your review. Please feel free to contact us with any further questions and we look forward to seeing you soon at the Agape Wilderness Retreat!
