

## SCENE OF THE ACCIDENT

Follow these steps in the event that you are involved in a car accident:

1. Move vehicles to the side of the road, if possible.
2. Check all drivers and passengers for injuries  
Get medical attention for anyone who requires it.
3. Call 911 if immediate emergency assistance is required.
4. Take pictures of all vehicles involved in the accident  
Take photos of any damage to the vehicles. This should help your insurance adjuster estimate your compensation, and may also help in court.
5. Exchange driver information  
Get the name, driver's license number, license plate number and basic insurance information from the other driver.
6. Talk to witnesses.  
Get contact information, if possible.
7. If your car is not drivable have the car towed to: 454 Belmont Ave, Haledon NJ 07508.
8. Inform your insurance company.
