

MANNvsPEST

Serving San Diego County

PREPARATION INSTRUCTIONS FOR MITE TREATMENT (ALL PESTICIDES WILL BE USED IN ACCORDANCE WITH MANUFACTURER'S LABEL)

HOMEOWNER'S PREPARATION PRIOR TO TREATMENT

1. Take all beds completely apart (framing, box spring, legs, etc.). Put mattress and box spring up against the wall.
2. All clothing, linens, and bedding must be bagged, tied, and **taken to dry cleaners/Laundromat at time treatment begins and set on "NON-CARPET AREAS" (bathroom/kitchen/patio).**
3. Remove all wall hangings from the walls. Pictures must be removed from frames and placed against the wall for treatment.
4. Remove all dresser drawers and completely empty them out. Wash and dry all clothing that were removed from the drawers and set on **"NON-CARPET AREA" (bathroom/kitchen/patio).**
5. Aquariums to be sealed off with plastic halfway down the tank. Filter to be unplugged for a mandatory four (4) hour period.
6. **Suitcases & backpacks MUST BE EMPTIED OUT AND LEFT INSIDE UNIT.**
7. All closets must be completely emptied out.
8. Floors and carpet must be free of debris. Carpet areas, sofas, chairs, etc. must be vacuumed thoroughly. Throw away vacuum bag and replace with new one.
9. All electrical items must be unplugged.
10. All windows must be closed and fans turned off at the time of the treatment.
11. Pull carpet from baseboards (carpet needs to be sprayed underneath)
***Note: Step #11 may be done by maintenance depending on your situation.
(This step may or may not be required. Your technician will advise you.)***
12. No other "store bought" pest control products may be used after MANNvsPEST treatment.
13. **All persons and pets may re-enter the premises four (4) hours after time posted on the door tag.**
NOTE: Persons with PREGNANCY, AILING HEALTH, OR INFANTS UNDER ONE (1) YEAR OLD should consult a physician prior to service. In the event you are unable to contact a physician, MANNVSPEST recommends a minimum of twenty-four (24) hours before re-entering.

NOTE: STATE LAW PROHIBITS SPRAYING WHEN AREAS LISTED ARE NOT PROPERLY PREPARED. IN ORDER FOR YOUR TREATMENT TO BE EFFECTIVE, THESE PROCEDURES MUST BE FOLLOWED COMPLETELY.

HOMEOWNER'S FOLLOW-UP

1. Upon returning to the premises, open all windows to air out residence.
2. Remove plastic from aquariums and plug filter back in.
3. **DO NOT USE LIQUID CLEANSER OR WATER TO CLEAN** after the treatment as this will wash away residual barriers in treated areas. However, kitchen and bathroom countertops may be cleaned.

YOUR TREATMENT IS SCHEDULED FOR: _____

NOTE: A rescheduling fee of \$55.00 will be charged if unit is not ready at time of service.

I understand and have followed these directions completely.
