

How The Crimson Lion Fundraiser Works

1. The Organization completes the Fundraising Agreement Form.
2. Samples of all products are at a cost of \$2.50 EA. For Dip mixes, Soup mixes, Any Jar products or Drink mix products are \$4.00 EA.
3. Order forms are supplied by us based on the number of participants. Order Form A is for Drink Mixes, Form B for is for Jar products, Form C is for Gourmet Dip mixes, Dessert mixes, Olive Oil blends. These forms are completed by Sales Persons/Participants and later summarized and used for order placement by the Group Coordinator.
4. Once the Fundraiser commences the organization provides each sales/participant with an order form (A,B,C,) as well as any samples, if purchased in advance. This is optional.
5. NOTE* We are always available to provide safety health guidelines and recommendations on how to safely sample the products.
6. The sales/ participant receives either cash or checks for items sold by customers. The retail prices are shown on Forms A,B,C, provided.
7. When the fundraiser time period is over, the sales/ participant submits the completed order forms with the totals of cash and checks.
8. Once all is in place, the Group Coordinator/ organization will submit the total quantity sold for each product. The same A,B,C, Forms should be used except they are titled Group Coordinator with a summary of all products needed to order. The order should then be placed by Fax, mail, or email.
*We will determine at that time the shipping charges which is the responsibility of the organization. The jar products weigh the most and we can provide a cost estimate on shipping jars to your zip code in advance.
9. . The organization will mail a check with the amount due. The organization cost of each product will be ½ of what is shown on the retail fundraising forms A,B,C
Dip Mixes @ \$2.50 each, Soup mixes @ \$2.50 each Jar products @ \$4.50 each, Drink mixes @ \$5.00 each.
10. We will ship out the order once payment is received. Typically it takes 2-3 weeks to complete the order. Note*Shipping charges are the responsibility of the organization. We will advise what the charges are once the order amount is known.
