SCHEDULE OF DENTAL PROCEDURES

This schedule accompanies Essentials Plan Brochure A82ES75R1FL.

TERMS YOU NEED TO KNOW

COVERED PERSON: Any person insured under the coverage type you applied for: individual (named insured listed in the Policy Schedule), named insured/Spouse only (named insured and Spouse), one-parent family (named insured and Dependent Children), or two-parent family (named insured, Spouse, and Dependent Children). *Spouse* is defined as the person to whom you are legally married and who is listed on your application. Newborn children are automatically insured from the moment of birth. If coverage is for individual or named insured/Spouse only and you desire uninterrupted coverage for a newborn child, you must notify Aflac in writing within 60 days of the birth of your child, and Aflac will convert the policy to one-parent family or two-parent family coverage and advise you of the additional premium due. Coverage will include any other Dependent Child, regardless of age, who is incapable of self-sustaining employment by reason of mental retardation or physical handicap and who became so incapacitated prior to age 26 and while covered under the policy. *Dependent Children* are your natural children, stepchildren, legally adopted children, foster children, or children in your custodial care who are under age 26.

EFFECTIVE DATE: The *Effective Date* is the date coverage begins, as shown in the Policy Schedule. It is not the date you signed the application for coverage.

WHAT IS NOT COVERED

Aflac will not pay benefits for losses caused by or resulting from:

- Replacement prosthetics within five years of last placement.
- Treatment involving crowns for a given tooth within five years of last placement, regardless of the type of crown.
- · Replacement for inlays or onlays for a given tooth within five years of last placement.
- A dentist's or dental practice's failure to comply with the current ADA coding* convention, including but not limited to upcoding, the overutilization of certain codes, and/or the misrepresentation of services (e.g., unbundling).

Benefits for sealants are limited to secondary molars for Dependent Children under age 16 and will not be payable more often than every five years.

Aflac will not pay benefits for services rendered by you or a member of the immediate family of a Covered Person.

WHAT WE WILL PAY

Aflac will pay the following benefits when a charge is incurred for covered dental treatment that is received while coverage is in force. If a covered ADA code is revised or replaced by the American Dental Association, Aflac will pay the amount shown in the Schedule of Dental Procedures for the code most comparable to the revised or replaced code. Benefits will be paid based on the current ADA coding convention.
