## Summer Time Around the Village

As we head into the summer we just want to take a moment and remember what a great place that we get to call home and that we need to make sure to take advantage of all that this area has to offer during the summer.

For starters, there is the Fred Meijer Nature Preserve which is known by most as Pickerel Lake. It is a perfect place for your early morning exercise, a mid day break, or a getaway after a long day of work. It has a really nice nature trail that circles the lake for over a two mile loop. In the evening, the sunsets can be viewed from the 900 ft. of boardwalk which is a fun spot to fish from, too.

Another way to experience our area is the Cannon Township trail that starts right in the Village and winds north along Joyce road and continues northwest to the Township Center. This section is about 4 miles long and is great for taking your pet for a walk or a nice stroll on your bike. Another section of the trail runs along Belding road which provides scenic views of Bostwick Lake. It is a beautiful and scenic trail that can provide great exercise.

Townsend Park provides many options from relaxing in a nature setting along the Bear Creek as well as access to the Township trail and miles of gravel roads that are great for biking. The park is a popular places for a variety of gatherings, as well. You'll find everything from impromptu family picnics to large wedding reception happening throughout the summer.

We encourage everyone to not only enjoy the Village but to enjoy these and other great places around us. Experience them with us this summer!

# Honey Creek INN

We finally have the air conditioner kicking and the beer is as cold as ever at

HCI. Summer is just about officially here and, like most of you, we are ready for it.

The dry-aged steaks that we featured in May have gone over so well that we have decided to continue them throughout June! These are 12 oz. steaks that will either be a Delmonico or NY Strip Steak that have been aged for 48 days. The result is a buttery consistency that has very intense flavors. The best part...the entire steak meal including sides and a salad is only \$36.

On July 1st we will close our doors at the Honey Creek like we have for many years in the past. This year we will not re-open until Monday, July 9. One reason is that we want to give our hardworking staff a nice vacation. The other reason is that Don will be doing some sprucing up to the interior of the pub. When we open back up we will be planning a "Welcome Home" party that will re-introduce the HCI in it's newly finished interior. Don't worry, though. No major changes are planned and the same come as you are and home type feeling won't go away... Don promises!

## DRY-AGED STEAKS

available the entire month of June at the HCI!

48 Day Dry-Aged

Special pricing all month long on these one of a kind tasting steaks. Limited quantities available each week.

*Dine in only. Available after 5 pm daily.*

## Honey Creek Inn

### CLOSED

from Sunday, July 1 through Sunday, July 8

The HCI will again be closed during 4th of July time. This year we will be doing "redecorating" of sorts so make sure to stop back in once we open

**An Irish Pub Under Polish Management**  
**"Serving The Best American Midwest Steak"**
