

Welcome your pet to his new home . . .  
he is now part of your family!

Help your new pet feel at home by preparing his  
place to eat, sleep, and eliminate.

Tips for Bringing Your Pet Home . . .

1. Get a tag with your address or phone number, in case he ever gets lost.
  2. Find a Veterinarian to help you care for your pet's health and vaccinations.
- This will help you and your pet live a healthy and happy life together.
