

HIPAA PRIVACY NOTICE

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN OBTAIN ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

INTRODUCTION

Kidney Care Specialists, LLC and its affiliates are required by law to maintain the privacy of “protected health information.” “Protected health information” includes any identifiable information we obtain from you or others that relates to your physical or mental health, the health care you have received, or payment for your health care.

As required by law, this notice provides you with information about your rights and our legal duties and privacy practices with respect to the privacy of protected health information. This notice also discusses the uses and disclosures we will make of your protected health information. We must comply with the provisions of this notice, although we reserve the right to change the terms of this notice from time to time and to make the revised notice effective for all protected health information we maintain. You can always request a copy of the most current privacy notice from our Privacy and Security Official.

This Notice applies to the following organizations that are affiliated as part of Kidney Care Specialists, LLC and share similar information practices:

Valley Kidney Specialists, PC

Northeast Clinical Research Center, LLC

PERMITTED USES AND DISCLOSURES

We intend to use or disclose your protected health information for the purposes of fulfilling our obligations as a Covered Entity. These uses or disclosures may include, but are not limited to, the following categories and examples:

Treatment – We may use your protected health information to provide medical treatment. For example, we may share your protected health information with your primary care physician or another physician who is providing medical treatment to you.

Payment – We may use protected health information to inform you of issues related to payment for your healthcare. For example, we may provide protected health information to your insurance carrier to process a claim, or we may notify you of a past due payment on a medical bill.

Healthcare operations – We may use protected health information to better serve your medical needs. For example, your physician may use protected health information to consult with other medical staff; we may provide protected health information to your insurance carrier to assist you with your insurance benefits; or, we may provide recall notifications for a recalled medication you may use.

OTHER USES AND DISCLOSURES OF PROTECTED HEALTH INFORMATION:

We may disclose your protected health information only as permitted by applicable law. This may include disclosure of your protected health information to your family or friends or any other individual identified by you when they are involved in your care or the payment of your care. We will only disclose the protected health information directly relevant to their involvement in your care or payment.

We may also use or disclose your protected health information to notify, or assist in the notification of, a family member, a personal

representative, or another person responsible for your care of your location, general condition or death. If you are available, we will give you an opportunity to object to these disclosures, and we will not make these disclosures if you object. If you are not available, we will determine whether a disclosure to your family or friends is in your best interest, and we will disclose only the protected health information that is directly relevant to their involvement in your care.

When permitted by law, we may coordinate our uses and disclosures of protected health information with public or private entities authorized by law or by charter to assist in disaster relief efforts.

SPECIAL SITUATIONS:

Except for the special situations set forth below and the general uses and disclosures described above, we will not use or disclose your protected health information for any other purposes unless you provide a written authorization to Kidney Care Specialists, LLC

- **Worker's Compensation** - We may disclose your protected health information to the extent authorized by and to the extent necessary to comply with laws relating to workers' compensation or other similar programs established by law.
- **Public Health** - When required or permitted by law, we may disclose your protected health information to public health or legal authorities responsible for preventing or controlling disease, injury or disability or performing other public health functions. In addition, we may disclose your protected health information in order to avert a serious threat to health or safety.
- **Specialized Government Functions** - We may disclose your protected health information for military and veterans' activities, national security and intelligence activities and similar special governmental functions as required or permitted by law.
- **Health Oversight Agencies** - We may disclose your protected health information to an appropriate health oversight agency, public health authority or attorney involved in health oversight activities.

- Law Enforcement – We may disclose your protected health information for law enforcement purposes as required or permitted by law or in response to a valid subpoena, court order or other binding authority.

- Judicial and Administrative Proceedings – We may disclose your protected health information for judicial or administrative proceedings as required or permitted by law or in response to a valid subpoena, court order or other binding authority.
- Food and Drug Administration (“FDA”) – We may disclose to the FDA, or an entity subject to FDA jurisdiction, your protected health information for public health purposes related to the quality, safety or effectiveness of an FDA regulated product or activity for which that person has responsibility. For example, your information may be disclosed in connection with the reporting of an adverse event, product defect, product tracking or to provide post marketing surveillance information.
- Disclosures Required by Law – We may use or disclose your protected health information as required by law provided such use or disclosure complies with and is limited to the relevant requirements of such law.

YOUR RIGHTS REGARDING HEALTH INFORMATION ABOUT YOU:

- You have a right to expect your protected health information will be kept secure and used only for legitimate purposes.
- You have a right to understand how your protected health information may be used and disclosed by Kidney Care Specialists, LLC
- You have a right to access this privacy notice that tells you how your protected health information may be used or disclosed.
- You have a right to ask questions about any health privacy issue and have those questions clearly and promptly answered.

- You have a (limited) right to know who has seen your health information, and for what purpose. If you make additional requests for such an accounting during any 12-month period, we may charge you a reasonable, cost-based fee.
- You have a right to see, and to keep a copy of, all of your health records except psychotherapy notes and information compiled in reasonable

anticipation of, or for use in, a civil, criminal, or administrative action or proceeding. Your request for a copy of your record must be in writing.

- You have a right to request your health information in an electronic format; this is made available to you through the Patient Portal.
- You have a right to ask for correction or inclusion of a statement of disagreement for anything in your records you feel is in error. Your request must be submitted in writing and include supporting documentation.
- You have a right to authorize, or refuse, additional uses of your protected health information, such as for fundraising, marketing, or research.
- You have a right to restrict disclosure of protected health information to your health plan which concerns treatment for which the individual has paid out of pocket in full.
- You have a right to request extra protections for protected health information you consider especially sensitive, and to request we communicate with you by alternative means.

COMPLAINTS:

If you believe your privacy rights have been violated, you should immediately contact our Privacy and Security Official. We will not take any action against you for filing a complaint. You may also file a complaint with the Secretary of Health and Human Services.
