- Optical Drive

Mobile

21.5" All-In-One Optimized for Mobile Deployment

This All-in-one Computing System is uniquely configured as a low power consumption CPU with high wireless performance. With a lower SSD drive, flexible battery options and easy access to multiple USB drives, this all-in-one is the perfect complement to keeping any mobile cart solution operable for longer periods of time. It's light-weight and smooth no Bezel surface makes the Mobile all-in-one easy to adjust and clean.

Standard Features

- > Low Power Consumption CPUs
- > High Performance Wireless
- > SSD Drive
- > No Bezel Design Makes Cleaning Easy
- > Customer Image Pre-Installed for Faster Rollout
- > Factory Asset Tagging
- > 3 Year Warranty
