The MBC is a 501© (3) non-profit organization which is funded through fundraising, grants, ticket sales, sponsors, and donations. The company has received grants from the Michigan Council for Arts & Cultural Affairs and the Art Center in Mount Clemens. The community-based company performs special daytime matinees for students, seniors and other civic organizations and evening performances for the general public. The Macomb Ballet Company also sponsors annual summer dance intensive. Instruction, props, sets, costumes, make-up, venue costs, printing and administrative costs are just a few of the many costs involved in providing performance experience for talented young dancers in our community while educating and enriching local audiences. We thank our generous donors for their support.
