

Thank you for choosing Perfectly Paired  
to make your custom vest.

Please use this diagram for your measurements.

A - B is the bust measurement, make sure you are wearing the bra that you will wear when you show. It can make up to a 2" difference. Measure at the fullest part of your bust.

C-D Measure from the crease of your neck to the point of your hip bone. The points of our vest are slightly longer than other manufacturers.

E-F This is your waist measurement  
It should be taken at the belly button. This is the true waist measurement.

If you are ordering a formal vest  
please include the measurement  
around your neck.

Thanks Again!
