# 40 DAYS FOR LIFE

**T**HIS FALL, from September 22 – October 31, our community is uniting with hundreds of other cities around the world for the largest and longest coordinated pro-life mobilization in history.

Common Objections:

*"This could offend people at our church..."*  
Abortion offends God. It destroys God's creation. There are many people sitting in the church any Sunday who have been hurt by abortion. 40 days for life is not judgmental. It offers people in crisis pregnancy a better alternative and it offers those who have been hurt by abortion the opportunity to find forgiveness and healing.

*"I'm too busy..."*

That is because you care and you are involved, which is exactly why you are being asked to help with this campaign. We need an hour for a vigil, we need your prayers throughout the 40 days and we know we can count on you. Can the innocent babies count on you?

Please sign up in the narthex or go to:

[www.40daysforlife.com/frederick](http://www.40daysforlife.com/frederick)

**PARISH NURSE NOTES:** Domestic Abuse. The American Catholic Bishops' Response. Again I am quoting the "When I Cry for Help" statement. Religion can be either a resource or a roadblock for battered women. As a roadblock, its misinterpretation can contribute to the victim's self-blame and suffering and to the abuser's rationalizations. Abused women often say, "I can't leave this relationship. The Bible says it would be wrong." Abusive men often say, "The Bible says my wife should be submissive to me." They take the biblical text and distort it to support their right to batter. As bishops, we condemn the use of the Bible to support abusive behavior in any form. A correct reading of Scripture leads people to an understanding of the equal dignity of men and women and to relationships based on mutuality and love. Beginning with Genesis, Scripture teaches that women and men are created in God's Image. Jesus himself always respected the human dignity of women. Pope John Paul II reminds us that "Christ's way of acting, the Gospel of his words and deeds, is a consistent protest against whatever offends the dignity of women." Any questions or concerns, call Marybeth Terrell at 301-845-6572. The 24 hour hotline for any questions or to get any advice for abuse, harassment, stalking is 301-662-8800.
